League Cup Winners

Our Cardiff based Barry Town Utd Ladies team are a talented outfit. In their first season at competitive football they have already won the U12 West Division, Division 1 and if manage to win their Cup Final could complete a treble which would be an amazing achievement for this squad in their first year at competitive football.

Cardiff City LFC U12's have had a fantastic season, gaining in confidence, experience and got visibly stronger as a team as the season progressed. After an unbeaten run during April/May, finished runners up in the League and the Semi Final of the plate. A talented team of different personalities and abilities has made this a season to remember for all the girls, who, have progressed and improved so much this season. Playing an exciting and fast paced style of football, the team has gained many plaudits throughout the season and it is exciting to see where the girls progress onto next season.

League Plate Runners-up

We are coming to the end of our 2nd season playing together and the girls have improved in experience and really gelled as a team. It has been a great journey to reach the final of the cup and the girls have risen to the occasion throughout both on the pitch and off. We look forward to see what the future holds next season for us.

The end of an era...

Villa Dino Christchurch U12 girls have played together for the last 2 years, but the plate final will be their final game together. They have made everyone proud with impressive football, that is older than their years. Amazing attitude and their never give up spirit. Often going in as underdogs, as the young ones but proving people wrong. They can be proud as they have made everyone who watches them just as proud!

U13 Girls

Division 2

League Winners

Barry Town Utd Ladies U13 have a very talented squad. A number of players play at County schools level, attend The South Wales Performance Centre, Welsh Regional training and for the first time at such an early age a few have been selected to attend a Welsh National Training Day. Having finished runners up in last season's West Division and Division 1 as well as getting to the League cup semi final they have improved on that this season by having already won the West Division, have also gone one step better in reaching the League Cup Final and are still chasing the Division 1 title.

Our Barry Town Utd Ladies (Cardiff) U13's have had a tremendous season winning the SWWGL U13 Div 2 title.

Cardiff City Ladies

Central Division Runners-up

Royal Blue

Cardiff City LFC U13's have had a mixed season, with some great football played during the season. As a team we have also had a steep learning curve at times, which will enhance our own experience and strength ready for next season. In the SWWGL U13 Central Division, we played some excellent football that resulted in us finishing runners up in that division. As a result we earned our place in the SWWGL U13 Division 1 group. This division allowed us to play and be competitive against the top teams at U13's. We had a good league cup run, reaching the semi finals of the cup.

West Division Runners-up

Chepstow Town U13 Team have put blood, sweat and tears into their first year in the competitive football league. Chepstow town have never had a girls section and in line with the FAW women's strategy, no matter age or ability, a group of team's were formed, a second family. Proving that girls can play football to! The U13's are looking forward to playing again next season

This is Llantwit Fardre Legends' second year of competitive football. They enjoyed a successful campaign in their first season, winning the West League, the 1st Division and the SWWGL Cup. Legends also participated in the ACES UK invitational tournament (for league and cup winners from around Britain), where they were finally beaten by Preston North End in the final.

This season Llantwit Fardre finished the West League as runners up and have been involved in a tight battle with Barry Town, Pencoed and Albion Rovers for the 1st Division title. Legends are a physically small team and half the squad are playing up a year, but they are fortunate to have some very talented individuals.

The players have shown excellent commitment throughout the season and love playing football. They have made great friendships and have established a fantastic team spirit.

Barry Town United Ladies under 14's are playing their first season together as an 11 v 11 team.

They were made up from 3 different teams at the start of the season. It has been a hard fought season with some good results on the way, none better than their semi-final result.

During the season the girls have gelled and are now playing some nice football as a team. There are 3 girls in the County set up and hopefully more girls will go on to represent County or similar next season. Most girls play football for their school on a regular basis. Enjoy the experience of the final.

Llantwit Fardre Under 14 Girls are enjoying their 4th season in the SWWGL. The team were successful in achieving the double of league and cup in the SWWGL U13 Division. They have had another successful year this season and are in a strong position to win the league, plus they have reached 2 cup finals.

The squad is predominantly made up of girls who attend schools YGG Garth Olwg, Bryn Celynnog and Y Pant. The girls have a fantastic team spirit and the football has further developed the wonderful friendships they have. It is worth noting that 10 of the squad are part of the Garth Olwg school side who have successfully reached the Welsh Schools Football Association U15 Cup Final.

Off the back of winning all 4 trophies available to the U14's last year, this season has been another full of promise. The girls have had a great cup run reaching the final and are still in with a great chance to win the league. Aside from team achievements, individually we have had 4 players consistently in the U15 Welsh National Squad, with 2 of the girls occasionally training with the U17. Also, majority of players are involved in the performance centre and County. The girls have been fantastic over a stop start season and would deserve nothing less than to top it off with a trophy.

Cardiff City Ladies

U15 Girls

Coach Deb Ball

League Runners-up

Manager Deborah Ball

Royal Blue

Cardiff City LFC U15s are a very talented and competitive squad of players with a mix of experienced and new players. The squad have players who attend the Welsh Regional training, the South Wales Performance Centre and also play at County Schools level. Although the season has been a stop/start one, the team has grown in strength and confidence with each game played resulting in us occupying the top half of the SWWGL U15s Division all season. The U15s had a good run in the League Cup before it ended at the semi-final stage and we are still competing strongly for the U15s Division Title.

Welsh Women's League Cup Winners

Barry Town Ladies have been enjoying a strong campaign this season in both league and cup competitions. As expected, the team is challenging at the top end of the Welsh Women's League with the primary objective our trying to achieve promotion in what is a highly competitive league this season.

Despite the fixture back log due to the winter period, the ladies have shown great consistency to reach two cup finals, winning the SWFA Cup and a semi-final as well maintaining their league title challenge.

The team has seen a great number of young players progress from our successful junior section and become regulars in the match day squad which shows the strength in depth currently at the club.

Welsh Women's League Cup Runners-up

Briton Ferry Llansawel have played in the Welsh Womens League this season having been relegated from the Welsh Premier Womens League at the end of the 2016-17 campaign. The team is a very young squad and set out with the aim of regaining their premier league status. As expected the league has been very competitive this season but to date the team has performed very well and are still competing to achieve their goal of securing promotion with a few league games remaining. Additionally the team are delighted to have made the WWL Cup Final and will be going all out to win some silverware at the end of the season.

We had a very successful 16-17 season remaining unbeaten to become champions of the West Wales Ladies League. To be invited to play in the WWL was a big step for us but one we really looked forward to. We had a difficult start to the season & quickly realised we needed to improve to enable us to compete with the rest of WWL. The team have worked hard in training which we are now seeing the benefits of. We have won our last 3 games, putting us in great position to enjoy another season in WWL.
