

Chris Birkett

President,
TSX Listings

Chris joined the TSX Listings team in 2006 as a Manager, TSX Listed Issuer Services. His experience and expertise resulted in him leading this team that provides the critical function of shepherding companies through the process of securing a listing on Toronto Stock Exchange. In addition, this team also guides listed issuers through the complexities of issuing shares from treasury to secure resources to grow their business or potentially, acquire other businesses. These services are provided across all sectors and geographies, not just in Canada, but globally.

Chris earned his Chartered Accountant designation while working at a small public accounting firm in Vancouver.
