London's Screen Archives

A unique network with a shared vision – to preserve and share London's history on film.

The network is managed by Film London and encompasses organisations that hold heritage film collections across the capital. We work with our members to digitise their films and ensure the long-term sustainability of their moving image collections, as well as offering opportunities for public engagement through screenings and events, volunteering programmes, training and education.

Membership Structure, Fees and Benefits

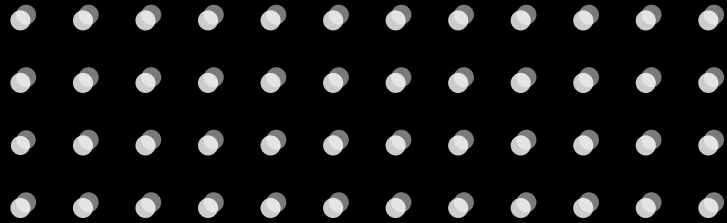

Subscriptions fees will be paid annually in advance and membership rates will be subject to an annual review.

Friend of London's Screen Archives

(Individuals only, not applicable to organisations)
