Tobacco Dock	Yes	Yes	Yes	<p>We are open and readily accepting enquiries. We have over 50 different spaces both indoor and outdoor. Tobacco Dock is an impressive and versatile building not usually fully available for filming. It offers spaces ideal for office and bar scenes, warehouse spaces and industrial corridors, as well as street scenes and interiors. Its past use as a shopping centre means it can be dressed as a mall of your own - ideal for commercials and street scenes which would otherwise be difficult to film under lockdown restrictions. Tobacco Dock is an events venue and accordingly has impressive rigging in place for lighting as well as high capacity and speedy connectivity (10Gb). It has a stylish 'speakeasy' style bar in the vaults as well as trendy rooftop bar affording breathtaking views of the city skyline.
