WELCOME

Joining the Academy system is a wonderful opportunity for any young person, not only to develop as a footballer but also to have a positive experience regardless of progression as a player. On behalf of everyone at the English Football League (EFL), we wish your child good luck as they begin their journey.

You and your child should expect the quality of coaching, the standard of education and the all-round experience to be outstanding. We expect all Academy Players to show commitment to and respect for their fellow players of all ages, for their coaches and their Club, and for both the rules and the spirit of the game.

The EFL operates the Academy system on behalf of its Clubs, and also works closely with, the Premier League, The Football Association (FA) and the Professional Footballers' Association (PFA).

There are many things you will need to know as a parent or carer of an Academy Player.

This handbook is designed to provide you with an introduction to the Academy system and information on how it works. The rules that apply to Academies are called the Youth Development Rules and these may provide some more detailed information about some of the topics covered in this handbook. The Youth Development Rules can be found from page 33 of this document.

Further to the information in this guide, the PFA's Youth Advisory Service provides advice and information on the Academy system and offers an independent ear for young players and their parents. They can be reached by phone on **0161 236 0575** or email at **youthadvisory@thepfa.co.uk**. More information on the service and other places to get support including the PFA's Safety Net, can be found in section 7 (on page 24).

IMPORTANT ADVICE

Participating in the Academy system is an achievement to be proud of and, along with football development, should enrich childhood experiences and provide opportunities for holistic development. It is important to remember however that every Academy Player will, at some point, stop playing football in the Professional Club environment. This may be in a matter of months, a few years or after a career as a Professional with, for the vast majority of young players in the Academy system, departure from the Professional Club environment occurring without playing professionally.

Regardless of when release occurs, it is important that, from the start of a young person's time in an Academy, every effort is made to ensure that the young person does not feel defined by football progression or performance and is able to maintain interests outside of football. This can be termed as maintaining a broader identity. When release occurs whilst this will, in all likelihood, still be disappointing and represent a challenging time, such an approach should help to make the transition process easier. Academic research provides evidence to suggest that this advice can also help football performance.

The following table contains, what we would consider to be some very important advice to help ensure the young people involved in the Academy system have a positive and beneficial experience.

IMPORTANT ADVICE	HOW MIGHT THIS LOOK?
Ensure the young person does not feel defined by football performance or be solely identified as a footballer	<ul style="list-style-type: none">a) Ensure the young person is not only referred to as a footballer who plays in an Academyb) Ensure conversation is not always about football performancec) Ensure the young person feels valued for who they are beyond football and not solely because they are involved at an Academyd) Ensure social media accounts/profiles do not extensively promote the young person as a footballer through over-professionalisation, promotion via parental account management, images in kit etce) Encourage and recognise other hobbies, interests and activities which help to build a broader identity
Ensure the young person's only career option is not a footballer	<ul style="list-style-type: none">a) Ensure academic attainment at school is maintainedb) Ensure other options form a dual career pathway and are part of "Plan A" and are not a secondary "Plan B"c) Ensure the young person (and close friends/relatives) are aware that a very small minority of individuals have a sustained professional career as a footballer and there are associated challenges along the way
Ensure the young person maintains interest and friends outside the Academy	<ul style="list-style-type: none">a) Encourage time for and engagement with other interests and hobbiesb) Encourage time being spent with friends who are not involved in Academy footballc) Ensure the young person understands that non-football activities can support football performance
Ensure the young person judges success in the Academy by being the best they can be and enjoying the experience. Recognise from the start that being released does not represent failure	<ul style="list-style-type: none">a) Praising and encouraging doing your best (not necessarily being better than others)b) Ensuring enjoyment whilst being the best Player they can bec) Recognising there is a substantially greater number of Academy players than Professional Players in the EFL and PL and that the journey is more important than the destination

1. THE ACADEMY SYSTEM

OUR VISION

WHAT WE WANT TO ACHIEVE

We want to produce more and better home- grown players and for the experiences in the Academy system to be enjoyable and positive in helping to develop the person as well as the player.

Our vision is to produce outstanding footballers capable of playing at the highest levels of the game while ensuring positive development outcomes and life-enriching experiences for all Academy Players who come through the Academy system.

We want our players to be technically excellent and tactically astute independent decision-makers on and off the field, equipped for a successful career as professional footballers. We want to develop the world’s leading youth coaches, provide inspirational facilities and world-class support services.

OUR MISSION

WHAT WE DO

The aim of the Academy system is to help young players maximise their potential in football, education and life whilst providing a life-enriching experience for all.

It puts well-being and personal development at the heart of everything we do. Our aim is to develop well-rounded individuals as well as high quality players.

Clubs provide expert services, support and advice to Academy Players and their parents, and every young player should enjoy and value their Academy experience.

OPPORTUNITY

Participating in the Academy system is an achievement to be proud of, however it is important for your child to maintain a balance between the demands of life outside of football, including their education.

Support your child to maintain interests beyond the football pitch and manage expectations of a professional football career because only a few Academy Players will go on to become professional footballers. So wherever and whenever the journey in the Professional Football Academy / Club environment ends, we hope your child enjoys it.

THE PERFORMANCE PATHWAY

We call the development journey of an Academy Player in the Performance Pathway.

Players can join and leave at different ages or points and can progress into the professional game or another career. The Club coaches, backed by a wide range of other specialist services, support Academy Players through each phase of the Pathway.

THE PERFORMANCE PATHWAY HAS THREE PHASES

FOUNDATION PHASE	Under 9 (U9) to Under 11 (U11)
YOUTH DEVELOPMENT PHASE	Under 12 (U12) to Under 16 (U16)
PROFESSIONAL DEVELOPMENT PHASE	Under 17 (U17) to Under 21 (U21)

UNDERSTANDING ACADEMY CLASSIFICATION

Each Academy is independently audited and categorised from 1 to 4. The EFL works closely with its Clubs in between audits to ensure that standards are maintained and improved where required. The different categories of Academies reflect the type of programme provided.

The environment at an Academy will differ according to the categorisation, but all categories of Academy will have a track record of producing successful professional players. The Club will be able to provide you with their categorisation status.

ACADEMY CLASSIFICATION	DEFINITION	PERFORMANCE PATHWAY
CATEGORY 1	This is the highest classification awarded to an Academy. It is an elite environment where Academy Players are provided with additional access to coaching and the potential of full time education from U12. Category 1 Academies can recruit nationally from U14 provided the Academy Player is guaranteed access to a full time education programme.	U9 to U21
CATEGORY 2	This is an elite development environment where Academy Players are typically recruited locally but gain access to additional coaching opportunities and education support.	U9 to U21
CATEGORY 3	This is a development environment where Academy Players are provided with professional coaching and development opportunities	U9 to U21
CATEGORY 4	Academies focus on their coaching and educational support for Academy Players in the Professional Development Phase (U17 to U21) only.	U17 to U21

2. PARTICIPATION

JOINING THE ACADEMY SYSTEM

The first point of contact with a Club may be through a Scout.

WHAT IS A SCOUT?

A scout represents a Club and is responsible for identifying talented young players. Scouts must be registered with the Club who is responsible for ensuring high standards of behaviour. You should always confirm a scout's identity with the Club.

WHAT IS A FOOTBALL AGENT?

A Football Agent (formally known as an Intermediary) acts on behalf of a player or a Club and may represent a player or a Club in contractual negotiations.

Football Agents may not, either directly or indirectly, make any approach to, or enter into any agreement with a player in relation to any Football Agents activity before the first day of January in the academic year of the Player's sixteenth birthday. From this date, Football Agents may provide advisory services, but are not allowed to receive any payment for those services until the relevant Player is entering into their first or subsequent professional Contract with a Club and that Contract comes into force. The services of a Football Agent are not essential for a future in professional football.

The PFA also provide independent advisory services and can be contacted for advice and guidance for Academy Players of any age. Please see **section 7** for further details.

GUIDANCE

Players entering into a contract with a Football Agent should consider taking independent legal advice or contacting the PFA particularly if they are unsure of any of the terms of the contract.

However, it is advisable to conduct thorough research before you sign with a Football Agent. Check the FA website for a list of all registered Football Agents or call the FA Football Agents enquiry line listed opposite.

Always date any document or the contract that you sign. Ensure you receive a copy of the document/contract on the day you sign.

If a Player is signed up to a Football Agent on an exclusive basis, he should not enter into a contract with another Football Agent at the same time as he may be liable to pay commission to two (or more) different Football Agents if he does so.

ACADEMY INDUCTION

Registration is when your child commits to a Club's Academy, and the Club commits to your child. All parties must complete a registration form. Your child remains attached to the Club for a period of time that depends on their age and joins an age group determined by the age they will be on 31st August.

Once registered as an Academy Player your child will no longer be able to play grass roots football if he is in the age group Under 12 or older. Your Club may provide the option to participate in some grassroots football for players in the age groups Under 9, Under 10 and Under 11 however this is at the Clubs discretion and your Club will notify you if this option becomes available.

The initial duration of the registration will be determined by the time of year when the Club approaches your child to register and the age group in which they would be registered.

DURATION OF REGISTRATION	
U9, U10 and U11	Registration period of up to 1 year
U12, U14 and U16	Registration period of up to 1 year
U13 and U15	Registration period of up to 2 years

Once the registration is established it will continue thereafter for successive periods of a year (or 2 years) unless either the club and/or the player terminate in accordance with the youth development rules.

The EFL and the Club see registration as a crucial time when independent advice is important for Academy Players and their parents (see **section 7**).

SCHOLARSHIP OFFERS

A Scholarship is a 2-year agreement between the Club and the Academy Player which provides a full-time football development and education programme.

This is also sometimes referred to as an apprenticeship.

An offer of a Scholarship may be officially recorded at any time on or after 1st July between the Under 13 and Under 14 season. For those Academy Players in the Under 16 age group, it shall be offered on or before 31st December in your Under 16 season. Following receipt of this offer, a response is required within 28 days, otherwise it is considered that you / your child have not accepted the offer. Serious consideration should be given to undertaking this long- term commitment to a Club.

Information about the PFA Independence Youth Advisory Service available to you regarding registration and contractual offers can be found in section 7 (on page 24).

REGISTRATION PROCESS

Once the registration form is signed, the EFL will process the registration. If you and your child choose to cancel the agreement, you must contact the EFL within 7 days. Your child may be coached by, and play for, the Club during this initial 7-day period as they are officially registered with the Club.

INDUCTION

Your child’s Academy will tell you about their provisions in respect of coaching, education and holistic support as well as what you can expect following registration at an Induction meeting. You will find out about your personal coaching and games programmes, and how your education programme and school liaison will be managed.

Induction is an important chance to get to know key people at the Academy, and for them to get to know you. Make the most of the opportunity to ask questions and to note names and contact details of staff.

APPROACHES AND CONTACTS

You and your child are not permitted to contact any other Premier League or EFL Clubs during the initial 7-day period, nor throughout the agreed registration period. Likewise, other Premier League or EFL Clubs, scouts and Football Agents must not make an approach to you, your child or any person connected with you / them.

At the end of each Season (except for an Academy player in the middle of a two year registration or been offered and accepted a scholarship or is currently registered on the full time training model) the Academy system provides Academy Players with an opportunity to consider their options, and a permitted time period to be contacted by, or to contact Clubs if they have chosen to leave an Academy, or if they have been released. However, please be aware that any approach or contact with or by another Club outside of this time period could be deemed a breach of the EFL’s Rules.

INDUCEMENTS

Similarly, no club may attempt to induce players to register with it (whether by offering money or other benefit in kind to you, your child or anyone connected to you). This is called an inducement and you or your child must not accept any such inducement that is offered to you.

Any such inducements could be deemed a breach of the EFL Rules, and for clarity, this covers both the registration with a new club, or re- signing with a Club you may already be registered with.

Inducements can be wide ranging, from cash payments to the payment or reimbursement of accommodation or travel costs, it is however recognised that some expenses are legitimate, but must be recorded by the Academy. Should you have any doubts as to whether an inducement is being offered, you or your child should contact the EFL before proceeding. Remember, should you be found to have accepted an inducement, there could be serious ramifications for your career, including a potential sanction from the Leagues and /or termination or refusal of your registration.

CODE OF CONDUCT AND FA RESPECT PROGRAMME

Your child’s registration means both you and they accept personal responsibility for maintaining standards of behaviour set out by your Club, Academy and the EFL and this was confirmed upon, at the point of registration, the signing of the Code of Conduct for Clubs, Academy Players and Parents. This Code of Conduct, which also outlines a commitment by the Club, can be found as Appendix B of the Youth Development Rules on page 34 of this handbook.

A number of years ago the FA introduced the Respect programme to try to ensure that a supportive and positive match day experience exists at all levels of youth football. Key to the development of young Players is that they enjoy the experience of playing and training and this is supported by the FA Respect programme (details of which can be found on the FA website).

TIME/DISTANCE REGULATIONS

Between Under 9 and Under 16, Academy Players can generally only be registered with a Club if they live within a limited travel time of the Club’s location. From Under 17 to Under 21 there are no travel time restrictions and there is no travel limit for the Academy players engaged in the Full-Time Training Model at Category 1 Academies in the Under 14, Under 15 and Under 16 age groups.

Academy Classification	U9 to U11	U12 to U16	National Recruitment U14 to U16	National Recruitment U17 to U21
Category 1	1 Hour	1 ½ Hours	Full time	No restriction
Category 2	1 Hour	1 ½ Hours	Not applicable	No restriction
Category 3	1 Hour	1 ½ Hours	Not applicable	No restriction
Category 4	Not applicable	Not applicable	Not applicable	No restriction

Information about the PFA Independence Advisory Service available to you regarding registration and contractual offers can be found in **section 7**.

END OF SEASON
PROCEDURES

Towards the end of each registration period, the Club will write to you and your child with its plan for registration for the next season(s). If the Club intends to renew the registration, you and your child must decide whether you want to accept or refuse their offer.

RENEWING YOUR
REGISTRATION

If you are happy for your child to remain registered at the Club you do not need to take any action. Your Club will notify the EFL, and the registration will be retained for a further period (with the duration determined by your child’s age).

DECLINING EXTENDED
REGISTRATION

If you and your child choose to decline the offer of an extended registration period and seek for them to be released, you must inform both your Club and the EFL in writing by the first Saturday in June. Following receipt of confirmation from the EFL, your child will then be able to seek registration at another Club, subject to the Rules relating to travel distance.

If the offer of retention is refused and a new Club wishes to sign your child, they may have to pay compensation to previous Club(s) at which your child was registered. If your child is offered a professional contract and achieves a number of first team appearances, previous Club may also be entitled to claim extra payments.

Your child’s club may offer a professional contract to commence from the age of 17 at any time from 1st November following the commencement of the Under 16 year.

COMPENSATION

Compensation is money paid by your child’s new Club to their previous one to cover training and development costs if an offer of extended registration is declined. If compensation is due, and any amounts are not agreed between clubs, the new Club may be required to calculate compensation based upon an annual fixed fee which relates to the age group(s) the player was registered in and the category of Academy the player was registered with. The current fees are as shown in the table below.

Compensation for Academy Players who have been offered a scholarship by their club and for players in the Under 17 age group and older may be determined under the Regulations of the Professional Football Compensation Committee.

Academy Players and their parents are not liable for paying these fees, do not receive any money and will have no involvement in these conversations.

COMPENSATION FORMULA			
Age	Cat 1	Cat 2	Cat 3
U9	£5,000	£5,000	£5,000
U10	£10,000	£8,750	£7,500
U11	£15,000	£12,500	£10,000
U12	£45,000	£30,000	£15,000
U13	£60,000	£40,000	£20,000
U14-16	£80,000 (per year)	£50,000 (per year)	£25,000 (per year)

CONTINGENCY FEES

In addition, should your child subsequently achieve a number of first team appearances, then their previous Club(s) may be entitled to additional fees known as contingency payments from the current Club. The fees are set according to divisional status.

Further information is set out in the Youth Development Rules.

REQUESTING RELEASE

During the registration period your child may only be released if all parties are in agreement (the Club, Academy Player and parents). You should initially raise any concern you have, which may have led to your child’s desire to leave, with the Academy Manager. Any concerns regarding a safeguarding issue should be addressed to the Academy Designated Safeguarding Officer (DSO).

As an alternative, any party may ask The Player Related Dispute Commission to provide a binding decision on a termination request by making a written application providing full reasons for the request. Detailed rules apply, full details of which can be obtained from the PFA.

If the reasons for requesting a binding decision includes a safeguarding issue, you should be aware that all poor practice safeguarding issues should be addressed to the Academy Designated Safeguarding Officer (DSO) as soon as a concern is identified. Safeguarding concerns will be dealt with separately from requests for release from registration.

You should be aware that compensation may be due to the Training Club should your child wish to register with a new club.

More information about feedback and communication, including the complaints process, can be found in section 8 (page 26).

MOVING TO ANOTHER ACADEMY

If your child is registered with one Academy and wishes to move to another Academy, you, your child and the two relevant Clubs will ordinarily be required to undergo an exit interview to talk through the circumstances of the proposed move.

This is a process that is intended to ensure that no Rules have been breached in relation to the move.

As part of this process, you, your child and the club that you wish to move to will also need to sign a declaration that no approach has been made to you prior to the relevant date, nor has any inducement been paid or offered to you, your child or anyone connected with you or your child to encourage them / you to move Academy.

Following this process, you may be required to provide certain documents and/or other information to the EFL to ensure that all rules have been complied with. As an example, phone records and bank statements covering the last year may be requested.

You should be aware that this process can potentially take a matter of weeks and while it is ongoing, you will not be able to train with or play for the new Club’s Academy. We appreciate this can be inconvenient and can be a time of uncertainty, but it is extremely important part of ensuring the integrity of the Academy system and the EFL and Premier League Rules. We will endeavour to ensure the process is completed as soon as possible.

LEAVING THE ACADEMY

Release of an Academy Player from registration can be a difficult time. Academy Players and parents should remember that involvement in the programme is a tremendous achievement in itself.

If your child’s Club does not wish to extend his registration, it is expected to provide support by, for example, helping identify opportunities to continue your child’s football participation / development elsewhere. League Football Education (LFE) also provides support for players released at the end of their Scholarships.

Events are also hosted to provide support for Under 16 and Under 18 players who are not offered a Scholarship or Professional contract. Details of such events, called “Development Events”, should be provided by the Club at the relevant time. Further information is provided on page 32.

Further details on opportunities to attend the U16 Assessment Trials and U18 Assessment Trials can be found on page 32.

3. ACADEMY PERFORMANCE PLAN

Each Academy has a performance plan which follows the Club's guiding principles, values, playing style and tactical approach. This encompasses a games programme, education programmes, sports science and medicine services support as well as coaching on the pitch. Your child's Academy has a designated team of specialist medical and sports science staff to provide a high level of medical care during training sessions and games. You and your child will be introduced to these specialist staff at the induction.

COACHING PROGRAMME

The age group your child is in will, to an extent, determine the coaching contact time they will receive.

The number of coaching sessions available should increase as they progress along the Performance Pathway. The Club will advise on which coaching programmes will be available to your child; these vary in terms of the number of hours of coaching received each week and when in the day those sessions take place (see Education Programme on page 22).

Close integration with education and welfare programmes will be paramount in building an effective coaching programme. The Club will continually monitor progression via regular performance reviews (see page 19).

N.B. These coaching contact times are a guide and the coach may adjust the weekly programme according to specific needs and the individual programme. The Coaching hours also include match time.

Academy Classification	Foundation Phase U9 to U11	Youth Development Phase U12 to U16	Professional Development Phase U17 to U21
Category 1	4 coaching hours per week rising to 8 hours for older Academy Players.	8 coaching hours per week rising to 12 hours for older Academy Players.	14 coaching hours per week reducing to 12 hours for Academy Players who have commitments to the professional squad during the Professional Development Phase.
Category 2	4 rising to 6	7 rising to 12	14 coaching hours per week.
Category 3	4	5 rising to 7	12 coaching hours per week.

The vast majority of Under 18 League games take place on Saturdays.

Premier League 2 consists of Category 1 Academies, each playing a proportion of matches at the Club's main stadium. A Professional Development League is also provided for the Category 2 Clubs with a proportion of matches being played in the main stadium.

A development League which provides playing opportunities for players at some Category 3 and 4 Academies is also in operation.

**FESTIVALS, TOURS AND
TOURNAMENTS**

Your child may have the chance to be involved in additional festivals, tours and tournaments, both domestically and abroad, some of which may be residential. These opportunities are designed to enhance playing experiences and help with technical and personal development.

The Club will provide specific details about these events as they are scheduled in the calendar.

**4. PLAYER RECOGNITION
SYSTEM (PRS)**

Every Academy Player is issued with a personalised photo ID card as part of their registration. The League will send the card to your child once the registration forms (including an appropriate image) have been submitted and approved. The card is valid for 3 years.

The card is designed to make sure that we check who is playing, that they are in the correct age group and to record attendance at Academy fixtures. This helps to maintain a safe environment for Academy Players and staff. In order to participate in Academy fixtures and events, your child (or you or their coach) will need to have their card with them and available for inspection at all such Academy fixtures and events. Cards could be inspected before, during or after their matches by Games Programme Monitors who are deployed across the system.

Any lost or damaged cards must be reported to your Club immediately so that a new card can be printed and issued as soon as possible by the League.

The EFL will only record and store data deemed essential in fulfilling its role as a governing body and in support of its functions.

IN RESPECT OF PRS, ONCE REGISTERED, THE LEAGUE WILL ACCESS THE FOLLOWING REGISTRATION DATA IN ORDER TO PRODUCE PLAYER ID CARDS:

- Player name
- Player FAS ID
- Player image
- Player registration status

The data will be used to produce the ID card to verify Player eligibility at fixtures. All stored data will be held securely alongside existing player registration data. If a valid card cannot be produced by the Player or Club when requested, it will be reported to the League for further investigation.

5. PLAYER DEVELOPMENT AND PROGRESSION

Helping all Academy Players become independent decisions makers is one of the core aims of the Academy system. Athletic development, performance, lifestyle and psychology programmes will be delivered to enhance the knowledge, skills and understanding needed to become a professional footballer both on and off the field.

PERFORMANCE CLOCK

You and your child are entitled to regular feedback on progress and development at the Club. The Academy will use a the 'Performance Clock' to record, measure and monitor all aspects of progress.

The Performance Clock is a record of each player's personal performance data in areas such as the games programme, the coaching each player has received, the sport science data that has been collected (i.e. fitness data) as well as medical data (such as injuries sustained and rehabilitation undertaken) and possibly education information. The information that goes into each Player's Performance Clock is inputted via the Football Intelligence Platform (formerly the Performance Management Application (PMA)). Much of this information comes from the Player's multidisciplinary Performance Reviews (see opposite). The Player's Performance Clock is made available to players and parents by each Club.

If your child moves to another Club, they take the Performance Clock with them.

PERFORMANCE REVIEW FREQUENCY

Foundation Phase	Every 12 weeks
Youth Development Phase	Every 6 weeks
Professional Development Phase (U17 & U18)	Every 6 weeks
Professional Development Phase (U19 & U21)	Frequency to be determined by the club

PERFORMANCE REVIEWS

Every Academy Player's performance is reviewed regularly. A Performance Review assesses development against the targets set at previous Performance Reviews. It identifies the need for individual coaching, all-round athletic development, educational support, and it sets new performance targets. Each review is recorded on the Performance Clock.

Performance Reviews are conducted by a multidisciplinary team of experts employed by your child's Academy which may include the Head Coach, the Head of Education, the Club's sports scientist plus any other relevant Academy staff. You and your child will be provided with details of each Review and your child's coach will discuss future targets with you and your child on at least four occasions each season.

Your Academy will hold parents' evenings at least twice each season to discuss recent performance reviews in detail.

6. PLAYER CARE, SAFEGUARDING AND EDUCATION

WHAT IS PLAYER CARE?

Each category 1, 2 or 3 Academy has a Head of Player Care who coordinates the personal, social, and emotional development of Academy Players. They are also a point of contact for parents/carers or players who would like advice or support on a range of issues.

Alongside more formal education, Players will have the opportunity to take part in other programmes as part of the Clubs Personal Development and Lifeskills Plan. The Programme aims to improve the holistic development of Players during their time in the Academy and to prepare them for life inside and outside of football. Your child's Club, often through the Head of Player Care, will provide an extensive range of programmes including the following topics:

- Careers & Further Education Advice
- Equality & Diversity
- Financial Management
- Health & Nutrition
- Media Training
- Mental & Emotional Wellbeing
- Personal Integrity
- Social Media Awareness

League Football Education, a partnership between the EFL and the PFA, play a major role in facilitating these programmes within Clubs. We want to help Players achieve excellence at every level of their journey, ensuring we have a diverse and inclusive culture of continuous learning and that we are working in a collaborative way with Clubs and our Partners.

SAFEGUARDING AND PLAYER CARE

The EFL places great importance on safeguarding children and adults at risk and we believe that everyone has the right to enjoy football in a safe and inclusive environment. We have safeguarding rules in place that Clubs must follow to promote and protect the safety and welfare of children and young people.

Clubs safeguard their Academy Players in lots of different ways:

- Safeguarding is everyone's responsibility, however your child's Club has in place a Senior Safeguarding Manager and a Designated Safeguarding Officer. The members of staff fulfilling these roles are at the heart of our Clubs' development of young talent and can provide you with support and advice. It is important to know who your child's Club's Safeguarding Team is and how to contact them.
- Getting the right people involved. Your child's Club must make sure that they only work with suitable people and organisations who also believe in keeping children and young people safe.
- Creating a safe environment. Your child's Club has safeguarding policies, procedures and guidelines in place which everyone must follow.
- Empowerment and education. Your child's Club must make sure that people who work for them know what their responsibilities are by giving them regular training. The Club also has a responsibility to educate and empower children and young people by helping them understand their rights and where they can get help or advice if they need it.
- Working together and taking action. Your child's Club has a duty to take all concerns seriously and ensure that they are dealt with swiftly and appropriately.

GETTING ADVICE AND REPORTING CONCERNS

Our Safeguarding Team can be contacted by emailing safeguarding@efl.com or by calling **01772 325940** to speak to a member of the safeguarding team for advice, to raise a concern or to help you get in touch with your child's Clubs Safeguarding team.

IMAGES / VIDEO FOOTAGE – PARENTS AND PLAYERS UNDER 18 YEARS

Still images and recorded footage are used in many ways: for Club performance analysis, match-day programmes, as well as other publications and literature. Your child's Club will have an Images Policy.

You should ensure that you understand what the Images Policy for your child's Club is. As the parent/ legal guardian of the player you will be asked to sign a consent form to ensure that you understand how the images may be used.

If parents/carers have any concerns regarding the use of images they should contact the DSO.

SOCIAL MEDIA COMMUNICATIONS

You should be aware that your child's Club will have a policy and guidance for players, parents and staff on the use and misuse of social media sites, including Facebook and Twitter. It is important that you and your child understand what is acceptable and unacceptable.

Being registered with a professional Club means that your child has a responsibility to be a positive role model in all public communications, therefore, inappropriate comments about others, including; players, parents, staff, officials or the Club will be taken seriously, may result in disciplinary action and could result in dismissal.

Parents / carers may have seen in the media that there is a 'trend' by some young people to use social media to share inappropriate images of themselves or others. It is important to remember that on occasions the sharing of such images may be considered a criminal act. Parents should discuss with their children the risks associated with the misuse of instant imaging messaging services such as Snapchat; WhatsApp; Direct Messenger (Twitter) and Facebook (Direct Messenger).

The EFL are committed to safeguarding. Any young person found to be sending inappropriate images of other children may be reported to the police and FA Case Management Team. Although the majority of images are appropriate and are taken in good faith, images of children can be misused and children and young people may be put at risk as a result.

Parents / carers are asked to reinforce, with young players, the importance of safe use of social media systems to protect your own and other children.

Parents and players should ensure to read and understand the Clubs Social Media Policy.

NSPCC:

Adults can contact the **NSPCC helpline** by calling **0808 800 5000** or by emailing help@nspcc.org.uk to get advice or share their concerns about a child, anonymously if they wish. Trained professionals are available 24 hours a day, 7 days a week.

CHILDLINE:

Childline is a free and confidential service for children and young people up to their 19th birthday. They are available any time, day or night. You can contact them by phone, by email or through their 1-2-1 counsellor chat service.

Visit their website for further advice or support www.childline.org.uk

THINKYOUKNOW:

Visit www.thinkuknow.co.uk for advice on internet safety and safe surfing. You can contact them confidentially if something has happened online which has made you/them feel unsafe, if you are worried about somebody else or to report online abuse.

It is important to familiarise yourself with your Club's policy on the use of social media sites. This policy will outline what is and what is not acceptable.

EDUCATION PROGRAMME

Your child's education is vitally important. Their education programme will help them achieve a productive and fulfilling career, both on and off the field. The Head of Education at your club oversees the programme and will:

- Liaise with your child's school to make sure their football commitments do not damage their levels of progress at school.
- Make sure your child follows a formal education programme that lets them achieve their academic potential and
- Offer advice on all aspects of the education programme.

TRAINING MODELS & PROVISIONS ACROSS THE PHASES

The training models used by Academies and other education related provisions can vary across the different "phases" of the Academy Pathway.

FOUNDATION PHASE: U9 to U11

In the Foundation Phase Academies operate a part time programme with full time school attendance and Academy attendance in the evening, at weekends and during holidays. Additionally, your child's Academy keeps in regular contact with your child's school to ensure Academy attendance is not having a detrimental impact on educational progress.

The Academy will report to you at least twice per year, outlining your child's progress in all areas of football development.

YOUTH DEVELOPMENT PHASE: U12 to U16

The Youth Development Phase offers three possible types of programme:

1 PART TIME

- School attendance is full time and, in the main, Academy attendance is in the evenings, at weekends and during holidays.
- The Academy will keep in regular contact with your child's school.

2 HYBRID

- Academy Players are released from school to attend the Academy for part of the weekly timetable, depending on age and the Club's programme.
- Agreement must be reached between the school, parents and Club describing the arrangements and the likely effect on the child's studies.
- Academies must work with schools to track academic progress, and they must provide extra help to ensure there is no detrimental effect on academic achievement.
- Information regarding educational progression should be recorded on at least a 12-weekly basis.

3 FULL TIME

- If Academy Players are offered a full-time place at an Academy, they receive both their football and education programmes through the Club. Their academic needs will be met by a local school.
- The Club will make a detailed assessment of educational needs and work closely with previous and new schools to ensure the curriculum meets both government requirements and the child's academic abilities.
- If Academy Players are offered a place on a full-time programme, the Club will also offer an extended registration that lasts up to the end of secondary school education.
- A full educational review will take place every 12 weeks and a copy will be sent to parents / carers.
- Information regarding educational progression should be recorded on at least a 12-weekly basis.
- A full-time place may involve living away from home in accommodation arranged by the Club for instance at a boarding school, Club boarding home or with a host family.

PROFESSIONAL DEVELOPMENT PHASE: U17 to U21

In the first two years of this phase, Academy Players must take an education component as part of their Scholarship.

Many Academy Players take the Advanced Apprenticeship in Sporting Excellence; full details of this will be provided by both the Club and League Football Education (LFE).

A full educational review will take place every 12 weeks and will be recorded.

Although not compulsory, there may be education opportunities available after turning 18 to continue education. This may include higher level programmes, such as degree-level study.

Academy Players are expected to complete their education programme even if they sign a professional contract before the apprenticeship has run its course.

The club may offer your child a professional contract to commence from the age of 17 at any time from 1st November following the commencement of the under 16 year.

MEDICAL, CONCUSSION & HEADING

MEDICAL

The EFL and Premier League require a very high level of medical care for players within Academies. For example, all Academies must have an Emergency Action Plan written by the Academy doctor and must have staff who have specific First Aid and Primary Care qualifications.

CONCUSSION

Although Academies have a very high levels of medical care provision, parents and carers also have a very important role, especially when a player has sustained, or is suspected of having sustained, a concussive injury. On these occasions, players should not be left alone in the first 24 hours and the 'FA graduated return to play protocol' must be followed. This can be found at (thebootroom.thefa.com/resources/coaching/the-fas-concussion-guidelines).

HEADING

English football has introduced heading guidance that is aimed at reducing heading without impacting development of technique. The guidance has been produced using a precautionary approach to protect player welfare where scientific evidence is currently limited, but is constantly under review. Recommendations for heading vary depending on a player's age. Further information can be found at (www.thefa.com/news/2020/feb/24/updated-heading-guidance-announcement-240220).

8. FEEDBACK

Close and regular communication between Clubs, Academy Players and parents helps to ensure an enjoyable and productive experience for everyone and minimises the risk of misunderstanding. Feedback helps Clubs to identify areas for improvement that will enhance the learning environment and the playing experience. Comments, suggestions and the raising of concerns help Clubs to manage risks and encourage better performance.

CLUB COMPLAINTS

You or your child should always raise any concern you or your child may have with the Club in the first instance. You should follow the process outlined below.

COMMUNICATION

Informally raise the issue with someone at the Club, such as your child's Coach, Designated Safeguarding Officer or Academy Manager; this may help to reach a satisfactory resolution quickly.

COMPLAINTS PROCEDURE

Each club is required to have its own complaints procedure for Academy Players and Parents. If the issue is not resolved informally, follow the Club's complaints procedure and put your complaint formally in writing to the relevant individual at the Club. This individual may be identified in the complaints procedure.

SAFEGUARDING COMPLAINTS

If the complaint relates to the welfare or safeguarding of a child/adult at risk then ensure you send (or at least copy) the complaint to the Club's Designated Safeguarding Officer.

Clubs are obliged to consider whether any safeguarding complaint is required to also be notified to the FA and EFL.

Regulations state that the Club shall notify the League and The Football Association of the abuse of, or unsuitable behaviour towards a Child or adult at risk, by any member of Academy Staff (including current, former or prospective members of Academy Staff). The concern may relate to the conduct or the performance of their duties as a member of Academy Staff; a non-recent or recent allegation; or a third (or subsequent) incident or allegation of 'poor practice'.

A notification by a Club to the FA and EFL is called a referral. Once a referral has been made:

- the FA's regulations mean it has the power to investigate safeguarding concerns and act against any participant who breaches its safeguarding policy and/or rules; and
- the EFL's role is limited to ensuring Club compliance with our safeguarding standards and regulations.

CONCLUSION OF THE CLUB COMPLAINTS PROCEDURE

You should always follow the Club's complaints procedure to the end.

At the outcome of the Club complaints procedure then you may, of course, accept the outcome (in whatever form as agreed).

If, however, you consider that you have grounds to terminate the registration with the Club, you may apply to the Board of the EFL for cancellation of the registration in accordance with **Youth Rule 288**. Any such application will be referred to an independent commission (the Player Related Disciplinary Commission or PRDC). Taking a case to the PRDC should be looked at as a last resort because significant costs can be incurred.

PFA YOUTH ADVISORY SERVICE

At any stage it may be beneficial to seek independent advice which is available via the PFA Advisory Service (see **Section 7** of this handbook) or, of course, your own specialist legal advice.

ROLE OF THE EFL

The EFL cannot itself resolve complaints regarding conduct of Clubs or their staff. However, the EFL may be able to assist in resolving such complaints and you should feel free to copy any complaint to the EFL. The EFL may then engage with you and/or the Club in an effort to try and resolve the issues amicably. Such messages to the EFL should be sent either to enquiries@efl.com or to the specific contact details on page 2.

Note: the EFL has its own complaints procedure which can be found on the EFL website (efl.co.uk) or you can request a copy be sent to you by contacting the EFL.businessoperations@efl.com - 01772 325800.

This procedure is for complaints regarding any actions of the EFL, and is not the procedure to follow for issues relating to Club practice.

EFL EQUALITY STATEMENT

The EFL is committed to ensuring our environment is reflective and representative of the communities in which our Clubs serve and free from all forms of discrimination. We are dedicated to promoting equality on the grounds of any protected characteristic as defined in the Equality Act 2010.

Everyone has the right to be treated with dignity and respect, and the EFL is committed to eliminating all forms of discrimination incorporating direct, indirect, associated, or perceived discrimination and all forms of bullying, harassment and victimisation. The EFL actively promotes equality, inclusion and diversity and an ongoing commitment to tackling discrimination and hate crime on grounds of age, cultural background, class,

race, ethnicity, ability or disability, gender, sexual orientation, gender reassignment, faith, religion and marital status.

The EFL and member clubs introduced regulatory commitments for all clubs including academies to implement the Equality Code of Practice. The Equality Code of Practice sets out key areas all EFL clubs should look to address to ensure they are inclusive across all areas of their business. In June 2016 the EFL introduced ground-breaking new regulations aimed at tackling the under- representation of Black, Asian and Mixed Heritage managers and coaches employed by clubs. The EFL also introduced Academy Audits and promotes and supports work concerning other areas such as women and girl's attendance, LGBTQ+ awareness, mental health and other FA, PL and PFA led initiatives.

REPORTING DISCRIMINATION

The EFL has a reporting pathway to deal with any allegations of hate crime, prejudicial and/or discriminatory behaviour or conduct to ensure that all individuals can raise their issue through the channels explained in this handbook.

The EFL also works closely with Kick it Out which provides a reporting service for discriminatory behaviour through its 'kick it out app'. The free app provides users with the ability to confidentially report incidents they may see, hear or witness at a match.

By attaching video, photo and audio evidence to complaints this can help support investigations into discriminatory abuse and behaviour across football (for more information please visit www.kickitout.org or download the free app via the Apple or Android store).

FA EDUCATION AND WELFARE STATEMENT

(for Players and Parents / Carers)

Throughout my career in youth development I have been a strong advocate of our young players concentrating on their education both at school and when in our clubs. It is increasingly important that players can present themselves well off the pitch as well as perform on it.

So, congratulations in getting registered with an academy – that is a great achievement. I personally believe that some of the best players I have worked with have been able to have the self-discipline to achieve their potential both in their football and in the classroom. Whilst not everyone is an A grade student I feel there is usually a link amongst players who can apply themselves to give their best, whether it is working hard to get a B-tec or sitting A levels whilst playing in the Champions League – if you do your best to achieve either of these you are laying the foundations to be successful in your career and in your life.

Increasingly young professional footballers are continuing their education after 18 and for those who do not get professional contracts, their potential to go to University, do scholarships abroad or move into the

workplace with academic qualifications and having worked in an elite sporting environment gives you a brilliant start to your adult life. However great your career is, your working life until retirement age will be longer than your playing days – so get the foundations of a good education in place and ask the club what are the different courses available.

Clubs now have access to experienced staff with an expertise in educational and welfare matters as well as careers advice. Get to know these staff and impress them with your effort and application and they too, will then go the extra mile for you when you need to call upon them or seek their support.

A football academy is a tough but brilliant environment to be in. Good luck with your career and your continued learning.

LEAGUE FOOTBALL EDUCATION AND APPRENTICESHIPS

EFL clubs sign young players from 16 years of age on a two-year scholarship agreement, which includes a condition that they must study an education programme. On behalf of the EFL and the Professional Footballers' Association, League Football Education (LFE) deliver the Apprenticeship Programme that is undertaken by the vast majority of players.

The Apprenticeship offers each apprentice the chance to fulfil his dream of becoming a professional footballer by providing an opportunity to develop footballing skills, whilst gaining relevant academic qualifications which today's employers deem essential.

The education programme was designed for those participating in elite-level sport and is embraced by a number of professional and Olympic sports, as well as professional football.

LFE works closely with Academy staff at EFL clubs to support apprentices in all the education elements of the programme. This includes the Level 3 Sporting Excellence Professional (SEP) qualification, the UEFA C Coaching Certificate delivered by the FA and an education course that will be set at an appropriate level to meet individual needs and abilities.

LFE's responsibilities extend to the delivery of Life Skills to Under 9 to Under 21 players, staff, parents and carers. There is a vast programme that covers emotional wellbeing, discrimination, faith, finance, mental skills, personal development, sexual health and consent, social media, transferable skills, radicalisation and lifestyle education on key subjects such as gaming, gambling, alcohol and drugs.

Transition support is also provided after the completion of the apprenticeship, including tracking and monitoring of all past apprentices, assessment trials to help out of contract players find other clubs, assistance in securing USA Soccer Scholarships or University places, and links with organisations who place players at clubs in Europe and further afield alongside studying for HE qualifications.

LFE prides itself on providing an outstanding programme that empowers apprentices to fulfil their potential and be successful in life.

The excellent work conducted by LFE was endorsed by Ofsted during an inspection in February 2023, when LFE was awarded 'Outstanding' in all areas of inspection.

Further information on LFE and the Apprenticeship programme can be obtained at www.lfe.org.uk.

LFE can also be contacted by email at info@lfe.org.uk or by telephone on **01772 326870**.

DEVELOPMENT EVENTS

As a collaboration between the EFL and Premier League, events are organised towards the end of the season for U16 Players who are, at that time, without the offer of a Scholarship. These events are typically residential and aim to provide continued sporting, educational, career and personal support. Expert speakers covering a variety of topics are sourced, and a variety of activities undertaken, to provide what is hoped will be a very useful experience to prepare for the future either within football or elsewhere.

TRIALS

The purpose of a trial is for the player to experience the Academy environment and for the club to view the player ahead of potentially offering him a period of registration. Usually the player's trial period at a Club lasts for up to 8 consecutive weeks, but this can be extended to a maximum of 12 weeks upon a clubs application to the League.

A trial may not be offered to any player who is on trial at another Academy or who is currently registered at another club (unless consent is given). Before a trial commences the required form YD8 must be completed and submitted to the League.

The maximum travel time for trials is 1 hour for Under 9 to Under 11 players. For players from Under 12 upwards please refer to Youth Development Rule 255.

UNDER 16 ASSESSMENT TRIALS

Under 16 Academy players may receive notice that the Club will not be offering them a scholarship registration. In order to provide an opportunity to obtain a further period of registration at a different club, the EFL stages Under 16 assessment trials, usually during the half term week in February. The assessment trials are attended by scouts from various clubs and education establishments and attendance at these events may provide an opportunity to join a new club or be offered a place at a college.

To be eligible to attend the trials your child must have been registered as an U16 at an Academy during the current season and be nominated to attend by the club. After all the trials have taken place, if any interest from the scouts has been registered with the EFL, you will be notified accordingly.

LFE U18 ASSESSMENT TRIALS

At the end of the two-year apprenticeship, if your child is not offered a further period of registration with your club, they may be able to attend the LFE Assessment Trials. Managed by League Football Education, in association with The EFL and The Professional Footballers' Association, the Assessment Trials provide an opportunity for players to be viewed by scouts from professional and non-league clubs. Held on a regional basis across three venues each year, the trials also attract representatives from European clubs and higher education institutions from both the UK and the USA.

To be eligible to attend the trials, players must have completed or be about to complete the Apprenticeship programme. Upon completion of the trials, LFE will notify players of any interest from scouts, within two weeks of the final trial date taking place.

For more information on the Assessment Trials, please visit www.lfe.org.uk/assessment-trials

Definitions

Rule 1 sets out definitions used in the Youth Development Rules. All other capitalised terms used in this section of the Rules are defined in Regulation 1 of the League Regulations.

1.	In this Section of the Rules the following terms shall have the following meanings:

350.

Where Rule 349 applies and the Academy Player subsequently ends his registration with the Applicant Club and registers as an Academy Player at another Academy which is either operated by a Club in the same or a higher division or is an Academy of the same or higher Category than the original Training Club (the **"Further Club"**), the Further Club shall be obliged to pay compensation (both to the initial training costs fee and contingent compensation) to the original Training Club in respect of the Academy Player's time at that club, in accordance with the provisions of Rules 349 and 350.

351.

The amount of compensation referred to in Rule 347 shall be:

Rules 354 to 365 govern the compensation due in respect of an Academy Player who is in, or about to enter, any age group between Under 9 and Under 16 at the time when he is first registered with the Applicant Club save for an Academy Player to whom Rule 353.2 applies.

353.

who is in any age group between Under 17 and Under 21 when he is registered for the Applicant Club; or

353.2

to whom the Training Club made an offer of a Scholarship Agreement pursuant to Rule 299.

354.

The compensation due in respect of an Academy Player to whom Rule 352 applies shall consist of an initial training costs fee payable to the most recent Training Club (and to be paid within seven days of the Academy Player being registered for the Applicant Club) and contingent compensation as is payable to all qualifying Training Clubs in accordance with these Rules.

355.

The initial training costs fee referred to in Rule 354 shall be calculated by:

355.1

multiplying the applicable annual fixed training costs calculated in accordance with Rule 356 by the applicable number of years; and

355.2

adding thereto any initial fee (capped at such sum as would have been payable when calculated in accordance with this section of the Rules) paid by the most recent Training Club when it acquired the registration of the Academy Player.

356.

In Rule 355:

356.1

the "applicable annual fixed training costs" means the sums set out in the table in Rule 357 referable to:

356.1.1

the age group of the Academy Player during any year that he was registered with the Training Club; and

356.1.2

the Category of the Training Club's Academy during that year; and

356.2

the "applicable number of years" means the number of years for which the Academy Player was registered for the Training Club (subject to Rule 364).

357.

The applicable annual fixed training costs by reference to the age group of the Academy Player and the Category of Academy are as follows:

Age group of the Academy Player	Category 1	Category 2	Category 3
Under 9	£5,000	£5,000	£5,000

Under 11	£15,000	£12,500	£10,000
Under 12	£45,000	£30,000	£15,000
Under 13	£60,000	£40,000	£20,000
Under 14 to Under 16	£80,000 (per year)	£50,000 (per year)	£25,000 (per year)

358.	The contingent compensation referred to in Rule 354 shall consist of: 358.1 appearance fees calculated by reference to the number of First Team Appearances made by the Academy Player for the Applicant Club or any other Club or Premier League club for whom the Academy Player subsequently becomes registered (including, with effect from the commencement of Season 2015/16 only, by way of a Temporary Transfer or other loan) and to the divisional status of the relevant Club as set out in the table in Rule 360; 358.2 subject to Rule 359, appearance fees shall be calculated up to a maximum of 100 First Team Appearances; 358.3 if the Academy Player's registration is transferred prior to his twenty-third birthday to a club affiliated to a national association other than the Football Association (save for any Welsh club which is a member of the League, the Premier League or the National Division of the National League), 20% of any Compensation Fee, Loan Fee and Contingent Sum that the Applicant Club receives which is in excess of: 358.3.1 any amounts of training compensation and/or solidarity payment paid to the Applicant Club and the Training Club pursuant to the FIFA Regulations for the Status and Transfer of Players; and 358.3.2 the actual sum (if any) paid by the Applicant Club to the Training Club to acquire the Academy Player's registration; 358.4 5% of all Compensation Fees, Transfer Fees, Loan Fees and Contingent Sums paid in respect of all future transfers of the Academy Player's registration (whether permanent or temporary) to Clubs (or clubs) in membership of the League, the Premier League or the National Division of the National League; 358.5 5% of all Loan Fees and Contingent Sums paid in respect of all future transfers on loan to a club affiliated to a national association other than the Football Association (save for any Welsh club which is a member of the League, The Football League or the National Division of the National League).
359.	For the purposes of calculating the contingent compensation referred to in Rule 354, First Team Appearances made in excess of 100 and up to a maximum of 200 (the "Additional Appearances") will result in contingent compensation being payable in circumstances where one or more of a Player's Additional Appearances are played for a Club (or clubs) in a higher division than one or more of the Player's first 100 First Team Appearances. In such circumstances the Additional Appearances will be treated as if they had formed part of the Player's first 100 First Team Appearances, with the result that an additional compensation fee will be due which is equal to any difference in the compensation paid in respect of the Player's first 100 First Team Appearances and any Additional Appearances of a higher value (starting with the lowest compensated appearance).
360.	The appearance fees referred to in Rule 358.1 are as follows: 360.1 Premier League: £30,000; 360.2 EFL Championship: £2,500; 360.3 EFL League One: £500; and 360.4 EFL League Two: £250.
