WELCOME TO THIS EVENING'S

HIBERNIAN FC END OF SEASON AWARDS

Good evening and welcome everyone to tonight's End of Season Awards event.

It's magnificent to see so many Hibernian FC supporters here tonight as we look back on what has been a memorable season for our Men, Women, and Academy so far.

Before I go into the successes we've had both on and off the pitch over the last 12 months, I wanted to thank you all. This season has been a real rollercoaster, but through all the ups and downs you've been there sticking with us. You are the heartbeat of this Football Club, and there's no doubt you helped us massively as we turned our fortunes around and re-wrote history in the process.

It fills me with pride that our Men's Team, Women's Team, and Academy are all excelling and prospering at this moment in time.

When my family purchased the Football Club, we had huge ambitions for each team and wanted to inspire the whole community through their love of the sport in the process. Over the course of the season we have seen everyone pull together, and that's been really special.

One of my father's main ambitions was to achieve European group stage football, and now we've given ourselves a real opportunity to achieve that. Huge credit goes to Dave, his staff, and the players for that.

Equalling our post-war unbeaten run of 17 games, winning our last eight consecutive matches at Easter Road, hearing Sunshine on Leith twice in a week, back-to-back Edinburgh Derby victories – and I honestly could go on – these are memories that will be with us for some time.

I'm also incredibly proud of our Women's Team. Grant Scott has done a magnificent job this season and was rightly named Manager of the Year at the PFA awards. Everyone associated with the Women's Team should be delighted with the progress they've made this year. It's fantastic to see them fighting for the league table.

Lastly on the sporting front, I'd also like to congratulate Gareth Evans, Guillaume Beuzelin, and Darren McGregor for their efforts this season. Not only have we seen a number of youngsters make their senior debuts over the last few seasons, but the U18s have also won their own league title, which will see them compete in the UEFA Youth League next season. Again, another magnificent achievement.

Off the pitch we've made huge strides forward too, and I'd like to thank the new Senior Leadership Team for the way they've helped guide the Club forward over the last few months, and the staff for their relentless hard work.

We have really big plans for Hibs moving forward, including the developments of the Hibernian Training Centre, and we're on the eve of celebrating our 150th anniversary, which is an incredibly exciting time too.

As stewards of this club, my family and I are very proud of the Club's achievements so far this season, and again, we'd like to thank all of you, the fans, for staying with us.

Thank you again for coming and supporting us, and I hope you have a great evening.

IAN GORDON

A MEMORABLE 2024/25 CAMPAIGN

The 2024/25 season has produced no shortage of drama for all three of our elite teams!

After a tough start to the season, David Gray's Hibees turned it around in spectacular fashion.

Starting in mid-December 2024, the Hibees went on a record-equalling 17-match unbeaten run in the Scottish top-flight. That run included 12 wins and five draws, beating both Hearts and Aberdeen home and away whilst also picking up impressive wins over both Old Firm teams.

That run matched the previous record from 1948 that was set by 'The Famous Five' who went on to lift the league title. Our 3-1 victory over Dundee United earlier this month also made it eight straight home victories in a row at Easter Road – our best run of home wins since 1998/99 under Alex McLeish!

The Women's Team have also set incredible standards of consistency throughout the course of the season, breaking several records of their own.

The Hibees have punched well above their weight this season and catapulted themselves up from top-six certainties to serious title contenders after a 16-match unbeaten run that lasted six months in the middle of the season. During that run the Hibees beat Glasgow City both home and away – our first league wins over the Glasgow club since 2007, whilst also beating both Rangers and Celtic for the first time since 2019!

Grant Scott was named the PFA Manager of the Year by his fellow peers earlier this month, a remarkable achievement for the 51-year-old in his second spell back in charge of the Club.

Grant steered the girls to their first cup final in three years and – after today's 2-2 draw with Glasgow City – his side currently lead the way at the top of SWPL by three points with two games to play!

At Academy level, the wee Hibees were crowned CAS Elite U18s League champions earlier this week after two impressive away wins - beating Rangers 3-0 in Glasgow before overcoming Kilmarnock 4-0 at Rugby Park to seal the title!

Darren McGregor's side have been in incredible form this season - having lost just four matches across the full campaign. In addition, there have been several wee Hibees who have received international call-ups at various age groups - as well as a senior First Team debut for youngster Lewis Gillie at the beginning of 2025!
