There's something special about Hibernian Football Club. From being the first to install floodlights, to the first to have a commercial shirt sponsor and not forgetting being the first British Club to play in Europe, the Club has led the way in a number of areas since our inception in 1875.

2022 saw the Club continue to lead the way in another area with the introduction of a now nationally acclaimed Hospitality offering.

Hospitality at Hibernian FC offers a truly unique environment to enjoy the matchday experience and our range of packages really do have something for everyone.

Whether you're treating yourself or family, looking to book a group celebration or entertaining clients, there's a season packed full of exciting fixtures for you to choose from.
