TRAVEL

BY TRAIN AND UNDERGROUND – there is no planned engineering works on the Ipswich to London line or on the Jubilee Line

Canons Park underground station on the Jubilee Line is a five-minute walk from The Hive Stadium. From Liverpool Street, take the Metroplitan Line to Wembley Park and change for the Jubilee Line to Canons Park. Alternatively, if you are on a train from Ipswich that stops at Stratford you can pick the Jubilee Line up at Stratford. From Liverpool Street it should take around 45 minutes to Canons Park and from Stratford around one hour, You will spot the ground on the right side as the train approaches Canons Park. (There is also a great view of the Wembley arch from the platform). From Canons Park, come out of the station and turn left onto Whitchurch Lane. After 200 feet you will see the pedestrian entrance to The Hive on your right.

Queensbury underground station, also on the Jubilee Line is around a ten-minute walk. To get to the Hive, turn left out of the station on to Turner Road. Continue to the end of the road, turn right and you will see the entrance to The Hive across the road.

Edgware Station, on the Northern Line, is about a one mile walk from the ground. From Liverpool Street, the easiest way is to walk to Moorgate (5 minutes) to join the Northern Line. If you don't fancy the walk at the stadium end, the 340, 186 and 79 buses all run from Edgware Station to Canons Park. The 288 bus runs from Edgware Station to Camrose Avenue. while the 114 stops at Turner Road, a short walk away.

Whatever your travel plans, it's worth checking https://www.greateranglia.co.uk/ for updated times and any late changes.

TRAVEL

BY CAR

The postcode for the stadium is HA8 6AG.

From Ipswich, it's a fairly direct drive. Follow the A12 to the M25 (West), heading towards Stansted / Heathrow. Stay on the M25 until you reach the A1, and head towards Edgware / London. At the second roundabout, take the second exit onto the A5109 (Edgware). The road meanders a bit, and at one point you need to turn right at a roundabout to stay on it, but soon after you cross the A5, you will find the ground on your right, the road by now called Camrose Avenue.

Beware of average speed camera zones on the A12 before Colchester - they are not as obvious as you'd expect.

Please keep in touch with traffic news. With a clear run, it takes a bit under two hours, but it can take up to three hours, depending on traffic.

We generally recommend allowing at least an hour, and ideally 90 minutes, beyond the AA / Google / Sat Nav suggested journey time.

PARKING

AT THE GROUND

There is a large car park at the stadium which you enter via Camrose Avenue – use postcode HA8 6AG. Parking is available on a first-come, first-served basis. The cost is £8 on a matchday, with additional charges applying outside the matchday period. Please pay once you are in the car park and not in advance. More information can be found here:

https://thehivelondon.com/parking/

Otherwise, there is street parking on Camrose Avenue (one of the entrances to the stadium is on this road). At the other side of the stadium, Canons Park Tube Station has parking for 150 cars. There is also street parking on Whitchurch Lane (this is the road Canons Park is on) and some of the side streets – do be aware of parking restrictions though, which vary, it seems, every few metres!

THE HIVE BAR CAFE

The Hive Bar Café is Barnet's on-site bar and restaurant on the East side of the stadium. It serves Starbucks coffee complimented by a variety of freshly prepared hot and cold food by their in-house chefs.

BAG POLICY
