TRAVEL

BY TRAIN – BUSES REPLACE TRAINS BETWEEN IPSWICH AND COLCHESTER

Watford High Street on the London Overground out of Euston is 0.6 miles from the stadium. Most fans, however, are likely to take the train from Euston to Watford Junction and opt for the 20 – 25-minute walk from there to the stadium.

The obvious route is to take a bus from Ipswich to Colchester where you pick up a train to Liverpool Street. Buses leave Ipswich at 07:00, 07:40 and then at 17 and 47 minutes past the hour. Once at Liverpool Street you will need to take the Circle, Metropolitan or Hammersmith & City Line to Euston Square and walk to Euston station. Alternatively, take the Circle, Metropolitan or Hammersmith & City Line to Moorgate and change for the Northern Line to Euston. Trains leave Euston regularly to Watford Junction with a journey time of around 15 to 20 minutes.

An alternative, but likely slower, route is to travel to Stratford and change to an overground train to Willesden Junction. Change for a train to Watford Junction (this will also call at Watford High Street, the nearest train to Vicarage Road).

The overall journey from Ipswich should take around three hours to three hours 16 minutes.

After the game Greater Anglia show fast trains leaving Watford Junction to Euston at 16:34 and 16:36. There are also slower trains on the London Overground – if you are catching these you may prefer to walk to Watford High Street where they leave at 18 minutes and 33 minutes past the hours to Willesden Junction where you change for a train to Stratford. The overall journey time on both routes is between three hours (via Euston) and three hours nine minutes to three hours 25 minutes using the Overground route.

Whatever your travel plans, it's worth checking https://www.greateranglia.co.uk/ for updated times and any late changes.

TRAVEL

GETTING TO THE STADIUM FROM WATFORD JUNCTION AND WATFORD HIGH STREET

Watford Junction station is 1.2 miles or a 25-30 minute walk from Vicarage Road.

If you don't want to walk, taxis are available outside the front of the station. There are also buses to the stadium, or you could take the overground to Watford High Street and save half the walk.

For those of you walking, https://footballgroundguide.com/ provides the following instructions from Watford Junction station:

'Leave the station & take main road straight opposite (Clarendon Road) all the way (over Ring Road at lights) up to the High Street. Turn left onto High Street and go past Wetherspoons (Moon under Water) on your right and then take the first right after 100 yards into Market Street. Continue along again crossing the Ring Road and then left onto Merton Road. From Merton Road turn right into The Hornets and follow the road round to the left into Fearnley Street and right into Vicarage Road.'

From Watford High Street Station turn left down the footpath next to Exchange Road. Join the road again at Lady's Close and the take a left down the path behind Watford Grammar School for Girls. When you pop out on the road head down Farraline Road joining Vicarage Road down to the stadium.

Alternatively, you could take an Uber or Taxi.

TRAVEL

BY CAR

The postcode for the stadium is WD18 0ER. However, you may prefer to use the postcode of your chosen car park.

From Ipswich take the A12. Join the M25 anti-clockwise. At junction 21A exit for the A405 exit to M1/St Albans/London (NW&C)/Watford.. Join the M1 and exit at junction 5 taking the A41 exit to Watford. Follow Stephenson Way (A4008). Take a right onto Beechen Grove and a left onto the A411. Take a left onto Vicarage Road and follow it down to the stadium. For the Church car park, instead of turning left to Vicarage Road continue on the A411 and round to the right into Exchange Road. Get into the right-hand lane and you will see the car park on the right.

An alternative route is leave the M25 at junction 20. Watford provide the following instructions from junction 20 of the M25 to the Church car park:

'Take the first exit onto the A41 to Watford. At the next roundabout, take the second exit onto A411 (Hempstead Road). Continue along Hempstead Road until you reach the town centre. At the large roundabout take the second exit feeding into the inner ring road, which is a one-way system. Stay in the right-hand lane and follow the ring road until you see the entrance to the Church car park on your right-hand side.' (note that if you stay in the left-hand lane when reaching the ring road, you will see signs to Vicarage Road).

Depending on your car park choice, the journey will take at least 2 hours – 2 hours 30 minutes and possibly much longer. We would suggest allowing at least 60 minutes and ideally 90 minutes beyond the AA / Google / Sat Nav suggested journey times.
