TRAVEL BY CAR – LONDON, SOUTH AND SOUTH-WEST

BY CAR

The Sat Nav postcode for the JobServe Community Stadium is CO4 5UP.

The stadium is located just off the A12, Junction 28 (Colchester).

The simple advice is to make your way to the M25 and join the A12 near Brentwood (Junction 28 of the M25). The A12 is a very busy road and is mostly a two-lane dual carriageway with no hard shoulder; accidents happen frequently, causing long delays.

Follow the A12 towards Colchester and Ipswich. Exit the A12 at Junction 28, turning right at the first roundabout. Go across the bridge and then go straight over the second roundabout, before turning right on to United Way from the third roundabout.

(If you are starting in the South-West, you have the option of driving via the Birmingham area (M42 to M6), though this is usually around an hour slower than the London / M25 route.)

We recommend allowing at least an hour and, ideally 90 minutes, beyond the AA / Google / Sat Nav suggested journey time, to allow for possible delays.

TRAVEL BY CAR – MIDLANDS AND NORTH

BY CAR

The Sat Nav postcode for the JobServe Community Stadium is CO4 5UP.

For supporters travelling from Sheffield, Nottingham and the North-East, make your way to the A1. Travel south on the A1 and join the A14. Continue onto the M11 towards London. At Junction 8, use the left two lanes to take the A120 exit to Stansted Airport/Colchester (note there is a stretch of just under 10 miles of non-dual carriageway from Braintree to Marks Tey). At the Marks Tey interchange join the A12 towards Colchester. Follow the A12 towards Colchester and Ipswich. Exit the A12 at Junction 28, turning right at the first roundabout. Go across the bridge and then go straight over the second roundabout, before turning right on to United Way from the third roundabout.

Note that from Sheffield, Nottingham and Leicester, there is the option of taking the M1 / A14 / M11 / A120.

A further option is to stay on the A14 past Cambridge to Ipswich, then join the A12 towards Colchester and London, following the directions below from Ipswich and East Anglia.

We recommend allowing at least an hour and, ideally 90 minutes, beyond the AA / Google / Sat Nav suggested journey time, to allow for possible delays.

TRAVEL BY CAR – IPSWICH AND EAST ANGLIA

BY CAR

The Sat Nav postcode for the JobServe Community Stadium is CO4 5UP.

Make your way to Ipswich. Join the A12 at the Copdock interchange with the A14, signposted Colchester and London.

To access the stadium, turn off at Junction 28, turning left at the first roundabout. Turn right on to United Way from the second roundabout.

TRAVEL BY TRAIN

BY TRAIN

The nearest station to the JobServe Community Stadium is Colchester.

For those travelling by train, the closest station is Colchester. Colchester is on the mainline between London and Norwich with a regular service to and from London and also to and from Ipswich. Some trains stop at Stratford for easy suburban rail, tube, Overground, DLR and bus connections .

Depending where you are travelling from there may be cross-country options available via Peterborough or Ely and Ipswich.

We would recommend allowing at least an extra hour for your journey to Colchester as delays can happen. There are ticket checks on all mainline trains, and barriers at London Liverpool Street and Colchester stations.

Note that there are often engineering works which affect the main line from London to Colchester, especially at weekends. We advise that you check before buying tickets.

Whatever your travel plans, it's worth checking https://www.greateranglia.co.uk/ for updated times and any late changes to engineering works.

GETTING TO THE STADIUM FROM THE STATION

It is a 45-minute walk from the station to the stadium via Mile End Road, Nayland Road and Boxted Road,. It is possible to catch a bus which will get you to within a 10-minute walk of the stadium. Note that the Park and Ride bus does not operate on a Sunday. There is a taxi rank at Colchester station, but you would need to book a taxi back for after the game.

TRAVEL – TIER (E-BIKES)

Tier e-bikes

Tier are Europe's largest shared micro-mobility operator who provide sustainable ways to travel around Colchester. There is an e-bike hub located behind the South Stand at the JobServe Community Stadium. Providing e-bikes in Colchester as well as other locations in Essex, Dott offer convenient and sustainable solutions to get around without needing to drive, and it became the first climate-neutral company of its kind in 2020.

Geo-restrictions on United Way have been removed to allow supporters to ride right up to the turnstiles, with the e-bikes providing a great alternative to using a car.
