

STEP 1

Please ensure you have an Android device running Android 4.1 or higher. This will be on most Android phones.

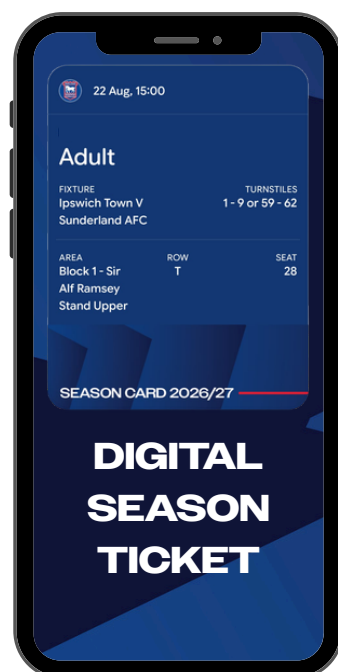

STEP 2

Check you have Google Wallet installed on your phone. Some devices will have the app pre-installed. You will also need a Google account.

STEP 3

Head to your ticketing account on tickets.itfc.co.uk. Under your profile navigate to season tickets and the click the blue download button.

STEP 4

Once added, make sure you check your season ticket is in your wallet and ready to scan. If you have any problems contact the ticket office on 03330 050503.
