TRAVEL BY TRAIN

Leicester railway station is about 1.2 miles from the King Power Stadium, so roughly a 30-minute walk.

If you looking at travelling by train from Ipswich, note that your journey will include rail replacement bus services. Cross-country routes will involve a bus from Peterborough to Leicester – the 08:41 service via this route will get you to Leicester at 13:11 (no earlier connecting services are shown on Greater Anglia). Journeys via London will involve a bus from Kettering to Leicester – the 09:55 is shown as the first connecting train from Ipswich, arriving into Leicester at 13:50. There are return options after the game on both routes, but still involving the rail replacement buses.

If you are travelling by train from Liverpool Lime Street, buses replace trains between Nuneaton and Leicester. For example the 09:43 from Liverpool via Crewe and Nuneaton will arrive into Leicester at 13:10. Leaving Liverpool at the same time and adding another change at Stoke-on-Trent should get you to Leicester four minutes earlier.

As most fans will not be travelling by train, we haven't included any further information. If you do need any further help then please get in touch.

Whatever your travel plans, it's worth checking www.greateranglia.co.uk for updated times.

TRAVEL BY CAR FROM IPSWICH

The Sat Nav postcode for the stadium is LE2 7FL. However, you may prefer to use the postcode of your chosen car park.

From Ipswich there are a number of options.

The first is via the A14 and A6. Leaving Ipswich take the A14. At junction 3 of the A14, take the A6 exit signposted Leicester / Market Harborough / Desborough. Continue on the A6 through Oadby. At the roundabout near to Leicester Racecourse, take the 2nd exit onto Palmerston Way / A563. Turn right onto Welford Road / A5199. Turn left (near Halfords) onto Putney Road. *At Commercial Square turn right onto Freemens Common Road. Follow Freemens Common Road (turns to the left) onto Raw Dykes Road. The stadium will be on the left.

Alternatively, take the A14, A1, A1(M), A1 to the A47. Continue on the A47 and turn left onto the B667 / Spencefield Lane.. Continue on the B667 and turn left into Stoughton Drive North (this is the first exit of the roundabout near at Horizon Healthcare). Turn right into Holmfield Road, right onto the A6 and left into Victoria Park Road / B568. Follow from * above.

The third option is via the A14 and M1. The M1 and M69 Motorways interchange at Junction 21 (M1), where you should exit and follow the signs for the City Centre via the A5460. After three miles, turn right onto Upperton Road, follow the road down until you get to the Liberty Statue Island and take the fifth exit down Raw Dykes Way. You will then see King Power Stadium on your right-hand side.

The journey time is at least two hours 30 minutes to three hours. We generally recommend allowing at least an hour, and ideally 90 minutes, beyond the AA / Google / Sat Nav suggested journey time.

TRAVEL BY CAR FROM LIVERPOOL

The Sat Nav postcode for the stadium is LE2 7FL. However, you may prefer to use the postcode of your chosen car park.

If you are staying in Liverpool after the Everton game on Saturday, your likely route is as follows:

Make your way to the M62. At junction 10 of the M62 join the M6. At junction 15, join the A500. Join the A50 driving past the Bet 365 Stadium and continuing to the M1. At junction 21 join the A5460. Turn right onto Upperton Road, follow the road down until you get to the Liberty Statue Island and take the fifth exit down Raw Dykes Way. You will then see King Power Stadium on your right-hand side.

The journey time is at least two hours 10 minutes to three hours 20 minutes. We generally recommend allowing at least an hour, and ideally 90 minutes, beyond the AA / Google / Sat Nav suggested journey time.

PARKING

AT THE GROUND

For supporters driving to the King Power Stadium, parking can be purchased prior to the day of the match for £5 per car at Car Park C next to the stadium (Raw Dykes Road). To book go to:

https://tickets.lcfc.com/en-GB/events/leicester%20city%20women%20v%20ipswich%20town%20women%20car%20park/2026-9-20_15.00/car%20park?hallmap

Please note that the Leicester City website states that vehicles must be parked one hour before kick-off and that the car park will reopen one hour after the full-time whistle. We would hope this policy to be applied flexibly for womens' games.

Accessible parking is also available. Please contact Leicester City 0344 815 5000 (option 2) for more information.

AROUND THE GROUND

In the past we have street parked near to the University and De Montfort Hall (Lancaster Road and Regents Road). Do however check for residents' parking schemes. It is about a 25-minute walk to the stadium through the Nelson Mandela Park, past Leicester Tigers Rugby Stadium and along Aylestone Road.

AROUND THE AREA

We haven't visited the King Power stadium for a women's game, but, from our experience of mens' games would suggest that there is not a lot to do immediately around the stadium.

There is a new Greene King food-oriented pub, the Local Hero, near the Odeon cinema on the main road a few minutes' walk from the ground. If you intend to go there, we suggest trying to book a table, as it looks to get very busy Sunday lunchtimes. The listed phone number is 01162755330.

In the city centre, there is a huge choice of pubs, bars and restaurants., albeit with a 30-minute walk to the stadium.

There are regular bus services from the city centre to the ground (and back!).
