TRAVEL

BY TRAIN

Charlton station is the nearest train station to The Valley and is just a five-minute walk away. There are many more public transport options than we have space for – you could check tfl.org.uk for your quickest option on the day.

Trains leave Ipswich towards Liverpool Street three times an hour. Once at Liverpool Street walk or take a bus to Cannon Street or London Bridge and pick up a train to Charlton. For those already in central London, trains also depart from Charing Cross to Charlton.

Alternatively, take a train from Ipswich to Stratford. At Stratford take the Jubilee Line to North Greenwich where you pick up a bus (472 or 486) to Anchor and Hope Lane which is a short walk to the ground. The new SL11 route also runs from North Greenwich, and has a stop at Charlton station. Alternatively, at Stratford take the Elizabeth Line to Farringdon where you can pick up a train to Charlton.

A further option is to take a train to Stratford where you pick up the DLR to Woolwich Arsenal. Change at Woolwich Arsenal for a Thameslink train to Charlton. Woolwich Arsenal can also be reached on the Elizabeth line from Liverpool Street.

After the game, there will be regular trains from Charlton back to London Bridge, and also towards Woolwich Arsenal. There are also options to Farringdon. Trains leave Liverpool Street to Ipswich at 22:30, 23:02 and 23:30 and also pick up at Stratford.

Whatever your travel plans, it's worth checking www.greateranglia.co.uk and www.tfl.gov.uk or your usual train operator website for updated times.

TRAVEL

BY CAR

The Sat Nav postcode for The Valley is SE7 8BL

Please note that there is an outer London ultra low emission zone (ULEZ) that will impact if you are driving an older diesel car (or very old petrol model). It is operated by TFL, and can be paid online or by app. Full details can be found here: https://tfl.gov.uk/modes/driving/ultra-low-emission-zone/ulez-where-and-when

Google maps suggests various routes for travelling to Charlton. Our preferred route is via the A12 / M25 / M11 / A12 and either the Blackwall Tunnel or the new Silvertown Tunnel. If you pay by autopay (https://tfl.gov.uk/modes/driving/auto-pay) the cost is £1.55 or £4.20 if you cross south bound between 16:00 to 19:00; If you do not use Autopay, then the cost is £.20 at all times.

Once through the Blackwall Tunnel continue on the Blackwall Tunnel Southern Approach – if you take the Silvertown Tunnel you will merge onto this road. Join the A206. Go along to the roundabout and come back on yourself turning left up to Charlton station. Just past Charlton station turn left into Floyd Road.

Note that alternative routes may involve using the Dartford Crossing. You must pay the Dartford Crossing charge by midnight the day after you cross. You will get a fine if you're late or do not pay. Details can be found here: https://www.gov.uk/pay-dartford-crossing-charge

The journey time is two to three hours, but we would recommend allowing at least an hour, and preferably 90 minutes, beyond the AA / Google / SatNav suggested journey time.
