Nigel Travis

Chairman Nigel Travis said: "The 2024/25 campaign has been another season of progress for us. We have proved that, on our day, we can compete at the top end of this division and that makes me very excited for our future.

"We are striving to become a football club that can compete sustainably at Championship level and, at the time of writing, we are in contention to challenge for a top-six finish.

"Even if we do not achieve that, we are continuing to lay the foundations to allow us to grow and thrive on the pitch in the long term.

"We have enjoyed some incredible moments so far this season and you – our loyal supporters – have contributed to them all. The future is bright for Leyton Orient and we are looking forward to making more good memories next season."
