FAMILY STAND

THE GAME ROOM

Children can't wait to take their seat in The GAME Room, enjoying console action and the most popular games on the market, courtesy of GAME Blackburn. Children are allocated time slots on a first-come, first served basis so that as many young fans as possible enjoy a fair chance to make use of the exciting facilities, and there are comfy seats for gamers and parents alike. The room is fully supervised and stewarded, and offers low level tables so that our youngest fans can enjoy colouring in while their older siblings enjoy the gaming action.

FACE PAINTING

Thanks to McDonald's, children can enjoy face painting to get into the matchday spirit. Completely free of charge, options include blue and white halves, club crests and much more to show that you're a passionate Rovers fan!

MCDONALD'S FREE FRUIT BAGS AND NUTRITION INFORMATION

Encouraging healthy eating, McDonald's give out a minimum of 100 free fruit bags at every game on a first-come, first-served basis from their information point next to the turnstiles. They also hand out colouring in posters for younger children to enjoy, as well as handy nutritional advice and details about their support of grassroots football, to help get your child involved in the game.

MASCOT

Rover The Dog is one of the most popular faces at Ewood Park, and certainly the cuddliest! He makes sure he visits the Family Stand at every home fixture, spending as much time as he can making friends with our youngest fans. You never know where he may pop up next, so keep your eye out for the giant friendly dog with the full Blackburn Rovers kit!

FOOD

There's a special menu in the Family Stand that you won't find anywhere else in the stadium. Keep your eye out for our regular specials in this area, designed with younger tastes in mind. Healthier and more child-friendly portion sizes can be found in this area via guest items such as pasta boxes or kids' packs which feature a selection of smaller items at a special price.

TOILETS

In order to make life easier for parents of small boys, we've lowered one of the urinal troughs in the gent's toilets, so that it's at a more convenient height for fans who aren't as tall as the grown-ups around them.
