SPECIAL ASSISTANCE & ASSISTED SUPPORTERS' SCHEME

Special Assistance Team

On matchdays, we have a dedicated stewarding team who can help you before, during and after the match to find your way around Ewood Park with ease and have the best experience possible with us.

The Special Assistance Team will be wearing jackets, with “HERE TO HELP” written on the back, along with their ID badge and lanyard. These stewards have completed a specialist course in helping supporters with disabilities and are on hand to help both home and away supporters.

To apply for the Assistant Supporters' Scheme, please contact the Ticket Office on 01254 372000 and an appointment will be arranged for a follow up phone call.

Assisted Supporters' Scheme

If you need additional help over and above what our Special Assistance Team can provide, you can apply to the Club's Assisted Supporters' Scheme for an assistant ticket. The scheme is available for supporters aged 12 years and above. An assistant attending a match alone will need to purchase a standard match ticket as the assistant ticket will not be valid.

The scheme requires you to complete a self-assessment application form. Applicants may be required to provide additional evidence from a GP, health or social care professional or any other professional at an appropriate time in the future.

To apply for the Assistant Supporters' Scheme, please contact the Ticket Office on 01254 372000 in the first instance and an appointment will be arranged for a follow up phone call appointment.

Applications need to be made 2 weeks in advance of a match and cannot not be processed on a matchday.

We advise assistants under the age of 16 years to notify the steward at the point of entry of their location in the ground, in case additional help is required.

If you have an assistant ticket and the circumstances relating to the level of help you need in the ground change at any time, you or someone on your behalf should contact Blackburn Rovers Ticket Office on 01254 372000 as soon as is reasonably possible.

MATCHDAY TICKETING

If this is your first visit to Ewood Park, please let the staff know so they can advise you accordingly. Ticket prices are standard for all supporters and vary according to location. Concessions are available for age only and not specifically for disability. It is beneficial for you and helpful for staff if you or your representative mention any additional needs you may have at the time of your booking – for home and away matches – to ensure an appropriate location for your comfort.

Purchasing Tickets

There are multiple options to be able to purchase your match day tickets:

Any disabled supporters wishing to renew an existing season ticket can do so online at eticketing.co.uk/onerovers. If you are a new applicant wanting to purchase a season ticket, you will need to apply via the Assisted Supporters Scheme. To do so, please contact the Ticket Office on 01254 372000.

SAFETY & SECURITY

Security

In line with Ground Regulations you can expect to be searched prior to entry and ejected from the ground or premises if the terms and conditions of entry are breached.

Safety and Evacuation

Safety is of paramount importance. An Assistant should always be able to support the needs of a supporter in an emergency. If you consider you would still need the help of a steward in an emergency situation or your Assistant is under the age of 16, please notify a steward as you enter the stadium. Stewards are there to help whether you have an assistant or otherwise. If you are located in the upper tier, you or your Assistant should identify yourself to the Stewards' Team Leader as you enter the area in which you are located.

Ewood Park Emergency Procedure

In the event of any emergency, there will be an announcement over the Public Address system preceded by a loud "chime" sound. For supporters who are deaf/hard of hearing, this message will appear on the big screen. Follow the directions of the stewards/police officers. If you are located in the lower tier, remain where you are until a steward assists you and listen or look carefully at the displayed message. Comply immediately if it affects your location. Stewards, Police Officers and Officials will direct you to safe areas which may be through exit doors/gates to the street or onto the playing area. If you are in the upper tier, make your way to the safe holding/refuge areas which are located on the stairwells at each end of the stand.

Minimum Age for Entry

In line with safeguarding standards, Blackburn Rovers has a minimum age requirement for entry. All children under the age of 12 years must be accompanied by a responsible adult.
