# WHERE TO SIT?

Views from the Frank Adams Stand

## *Frank Adams Stand*

The Frank Adams Stand is the most-booked area of the stadium, offering the best views of the pitch and Chiltern Hills, and comes with its own concourse area serving food and drink including draught beer. Please note there is no step-free access to the stand; there is lift access to the base of the stand, but has a set of steps leading to the seats.

*'I have purchased the same seat since the stand was built! In my opinion, you get the best view of the game whilst seated with no one standing in front of you. Good people and good football with a view!' --  
Fan quote from Ray Ponsford.*

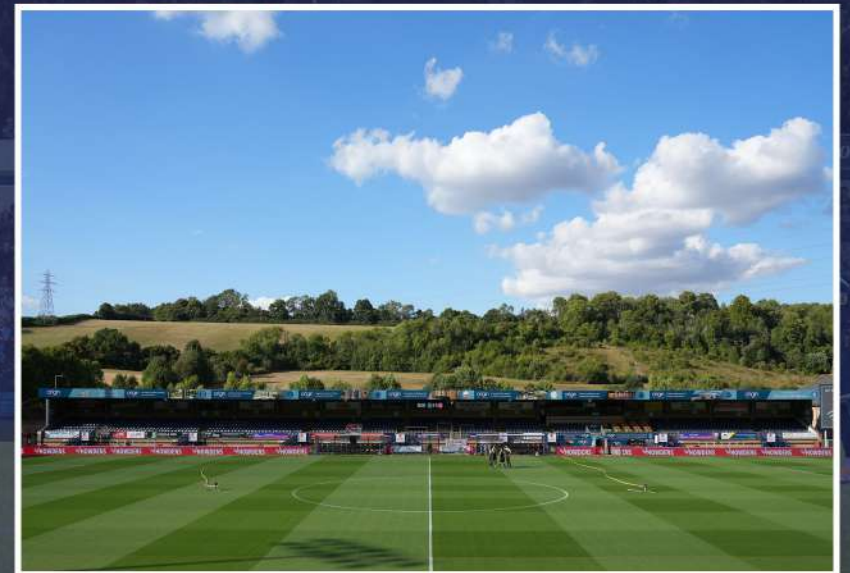

# WHERE TO SIT?

## *Family Stand*

Located on the lower south side of Adams Park, the Family Stand is an ideal area for younger supporters and their families, being close to the action, access to players for photos and autographs before and after the game, simple access from the turnstiles, two kiosks serving food and drink, and designated accessible areas. Tickets in this stand start at just £3 for under 11s.
