

The Ghana Science & Tech Explorer Prize (GSTEP) Challenge 2022

Terms & Conditions

The Ghana Science & Tech Explorer Prize (GSTEP) Challenge is run by DreamOval Foundation, working with a number of partners which can be found on our website: www.gstep.org.gh.

Please read these Terms & Conditions carefully before submitting an entry. By submitting an entry, you accept these Terms & Conditions and agree that you and your team will comply with them. The adult representative is responsible for ensuring that their team members understand and comply with these Terms & Conditions.

1. Participating in the Challenge

- 1.1. Entries to the GSTEP Challenge are eligible to Junior High Schools (JHS) based in the Greater Accra and Ashanti regions of Ghana. All entries received by the relevant deadline will be assessed against the relevant judging criteria available at www.gstep.org.gh. Late entries and entries in languages other than English will not be accepted. We are not responsible for entries which are lost, incomplete, damaged or late due to a computer, network or telecommunications failure based on third party telephone or data networks.
- 1.2. Employees of DreamOval Foundation, the GSTEP consortium team, and their immediate families, are not eligible to enter.
- 1.3. Unless otherwise stated, you may submit more than one idea. Each idea submitted needs to be innovative and different to any other ideas you have submitted.
- 1.4. You must bear all the costs of entering and participating in the GSTEP Challenge, including travel costs, with the exception of travel costs incurred as a result of your attendance at events relating to the Challenge and with a confirmed pre-approval from DreamOval Foundation to fund such activity.
- 1.5. Full participation in challenges, tests and other events are a condition of participation in the GSTEP Challenge. Entries may be shortlisted

and asked to complete further challenges as described in the promotional materials. Performance will then be assessed against the relevant judging criteria.

- 1.6. Each team must be supported by an adult representative over 18. Most of these representatives will be teachers or a member of staff at school, but other adults (such as parents) are also eligible. The adult representative must obtain parent or legal guardian's written consent for each child under the age of 18 in their team to participate in the GSTEP Challenge, to provide their personal details to DreamOval Foundation and for DreamOval Foundation, to publish the name and images of the child in promotional materials for the GSTEP Challenge. The adult representative is responsible for their team members throughout the Challenge and must provide appropriate supervision for any members under the age of 18, including while on the premises of DreamOval Foundation and our partners.
- 1.7. We will use the contact details provided by the adult representative to contact you about the GSTEP Challenge. All communication between you and us in relation to the Challenge must be in English. If you don't respond within 14 days, or if you subsequently withdraw or are withdrawn from the Challenge for any reason, we may select another entry in your place, but are not obliged to do so.
- 1.8. The judges' decision about eligibility, shortlisting and the prize award, including the validity of any claims and data submitted, is final. Correspondence will not be entered into. The judges may at their sole discretion decide not to award the prize where in their reasonable opinion, no entry meets the relevant criteria.
- 1.9. The GSTEP Challenge should only be used in ways that will advance science and technology education within your school. DreamOval Foundation reserves the right to impose additional conditions, if appropriate in our reasonable opinion, if the Challenge has not resulted in sufficient public benefit in line with our charitable objectives, or to comply with other legal requirements. The prize will be paid in Ghana Cedis to the school or organisation that the winning team is from. The prize winner is responsible for payment of tax and other charges in relation to the award of the prize.
- 1.10. We reserve the right at our sole discretion to:

- 1.10.1. refuse any entry or to make no award if none of the entries meet our required standards;
- 1.10.2. remove you from the GSTEP Challenge if you or any member of your team do not comply with these Terms & Conditions, if any of you cheat or behave in a way which is disruptive, inappropriate or potentially dangerous, if the team fails to participate fully or do anything to damage the reputation of DreamOval Foundation or our partners;
- 1.10.3. vary the form or substance of the GSTEP Challenge (including these Terms & Conditions, deadlines, event dates and the number of entries selected for each phase) as we deem appropriate in the circumstances. Variations will take effect from the date they are posted on our website, so please check the website regularly. If you are not happy with the changes, you and your team should withdraw from the Challenge; your continued participation will indicate your agreement to any changes; and
- 1.10.4. suspend or terminate the GSTEP Challenge if funding for the Challenge is reduced materially or withdrawn, if we determine in our reasonable opinion that the Challenge will no longer achieve its aims or there are changes or developments outside our control that affect the Challenge.
