Description

Updated annually, this database is an index to passengers who arrived in United States and Canadian ports from the 1500s through the 1900s. It contains listings of approximately 4,838,000 individuals and references thousands of different records compiled from everything from original passenger lists to personal diaries. For each individual listed, you may find the following information: name, age, year and place of arrival, and the source of the record. [Learn more...](#)
