

This Table was compiled in 1892-1893. No attempt has been made to bring it up to date by collecting the names of kindred born since then. For that might delay by a year or two the completion of these charts. The task is left for some future genealogist.

DESCENDANTS OF THE ELDER FAMILY OF BURNFOOT IN IRELAND AND NEW BRUNSWICK EXCEPT THE ROUGHMACH (SEE PAGES 4 TO 12)

ROBERT ELDER of Stirlingshire settled at Burnfoot, Co Donegal before 1700

Roman numerals (I, II, III etc) following names exactly alike on these two pages, do not, as elsewhere in the book, indicate order of birth. It was not possible to do this as dates of birth have not been supplied.
