#### HYACINTH D'ARCY AND EYRE ESTATES

After a fierce fight carried on for the past year, the "Land war" on the Hyacinth D'Arcy estate, Newforest, Kilkerrin, was settled amicably on Saturday, when the deputation appointed by the Glanamaddy board of guardians, viz, Rev P Colgan, P.P, Clonbarne, Messrs John Martyn, J.P, Flaskagh, J Finnegan, D.C, and M Grady, D.C, Kilkerrin, waited on Mr D'Arcy by arrangement, with the result that the following agreement was arrived at—Tenants to pay 21 years' purchase for their holdings, and 24 years' purchase for four hundred acres of grass land at the Estates Commissioners' valuation. One year's rent to be included in the purchase money, and bogs and game rights to be reserved by the landlord.

A similar agreement has been arrived at on the Eyre estate. The tenants' combination against the payment of rent on these estates has now ended, and former good relations have been restored.
