

Dear Parent/Carer

Coming soon: Online payments to school with ParentPay!

Starting after the Easter break we will be introducing a more convenient way to pay for school meals, trips, after school clubs and much more online, using a secure service called ParentPay.

ParentPay will go live in school on the 23rd April 2019. From this date we will be working towards no longer accepting cash and cheque payments, eventually making the school a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password. This will be issued to you by us within the next 14 days. You will be prompted to change these initial details when you first log in to the ParentPay system to something memorable to yourself, and then keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Using PayPoint

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. The nearest PayPoint store to school is the **Premier Store, 2 Thorne Road, Bawtry.**

Please notify Mrs Mitchell in the school office if you wish to use the PayPoint facility. A plastic card will be issued to you to make cash payments for school meals at local PayPoint stores. The first card is free of charge; however, any lost or damaged cards will be charged at £1.50 each. Payment cards take about two weeks to arrive but we can issue a barcode letter as an interim measure.

Trip and activity information letters will carry a unique barcode which will allow you to make cash payments at your local PayPoint store.

We hope you will support us in achieving our goal to become a cashless school. We will use the summer term as a transitional period where we will accept cash and cheques, as well as ParentPay payments. The vision for us as a school is to aim to be cash free by 2nd September 2019, the first day of our autumn term. From this date the school will be cash free and we will no longer accept cash or cheques.

Yours faithfully
