## Church of England Vision for Education

Deeply Christian, Serving the Common Good.

John 10:10 "I came that you might have life, life in all its fullness".

## Bredhurst Church of England Primary Vision:

To learn and grow through the guidance and love of God.

## Self Control

Perseverance

Inclusion

Respect

Inspiration

Trust

Dear Parents and carers,

Welcome this week's newsletter.

We have had a busy week with the launch of our new school vision. 'To learn and grow through the guidance and love of God'.

Our vision is embedded by 5 parables which the children feel encompass our 'SPIRIT' values and which share the important message which we believe help our pupils, staff, parents and community to grow and flourish in all they do.

The children were incredibly engaged throughout the day and are looking forward to helping their sunflower seeds grow!

On Wednesday afternoon the children came together to share and celebrate their work from 'Carnival Week'. We had some amazing head pieces, outfits and great samba dancing along with samba style music!

Our cross country children ran their final race in the league on Tuesday. Our girls ran very well, with some excellent placing overall. However, our boys completely outperformed themselves and we came an amazing 1st out of all the participating schools. There were approximately 40 teams taking part in this competition. All our boys ran excellent races, but a special congratulations must go to Lucas Cameron who came 1st out of all the year 5 boys and Oscar Colyer who achieved 2nd place out of all the year 6 boys. Incredible results, they should be so proud of themselves and we have another trophy in the cabinet!

The year 3 + 4 netball team played a friendly competition on Tuesday, all the other participating schools had teams of year 5 + 6 children but our children didn't let this beat them and they all played their hearts out!

Our year 5 + 6 netball team played against Greenfields on Wednesday winning 11-2. A special well done to Isabella Springer who showed real self control and determination throughout the match!

The last match of the week was KS1 football against Greenfields on Thursday afternoon. Our team played brilliantly and after their defeat last time, the score was held at 0-0 with a superb save by Luca Suvari. The whole team played very well and we are so very proud of all of you.

Well done to Oakwood class for an excellent worship on Wednesday, you explained the story of the lost sheep so clearly. Thank you to Mr Hall and Mr LeBreton for putting out the chairs!

Our FOBS meeting was held on Tuesday afternoon at 2.p.m. where several decisions were made regarding how to spend the money raised. Every parent who gives up their time to run stalls, organise events, grow pumpkins, sort raffle prizes, bake cakes etc. really do make a difference to the things we can do for our pupils. This year FOBS have subsidised: pantomime, class trips, discos and the Mayan archaeologist visit. They have also agreed to donate towards Year 6 leavers hoodies, end of year trips and the maths whizz program. Please do come along to these meetings to find out more about where the money raised goes and what you can do to support—every little part you can play really does help.

I hope you all have a lovely weekend.

Best Wishes

*Michelle Cox*

Head Teacher

Celebrate May Day

May Day will soon be upon us, for all those new parents this is when the children perform a variety of dances and re-enact the story of St George and the Dragon to celebrate May Day. It is expected for all our children to attend as they all have a role in this event. This year May Day will take place on **Saturday 18th May.**

If any parent works for companies who match fund please do let Mrs Sullivan, Mrs Shepherd or any member of the school staff know as if we can get match funding for any of our stalls, this makes a big difference to the total.

We are hoping to start swimming lessons after Easter possibly w/b 29th April (weather permitting). The pool is notoriously expensive to maintain therefore we are asking for a donation of £25 for each child. The children will receive an average of 15 lessons April—October. The permission slip will be sent home today 22.3.19.

We have over 140 people who have signed up for our Mother's Day Breakfast on Wednesday so please be prepared to be patient. We will do our best! Breakfast is served between 8a.m.—8.30a.m.

The school Disco is to be held after school on Thursday 28th March 3.30—5.15. Please collect your child promptly.

**Mother's Day Gift Sale will be held on Friday 29th March where your child will be able to purchase their own gifts for mums, nans and aunts.**

**Diary Dates for this Term**

**March**

**No multi-skills or cricket club on Monday + Tuesday next week as Mr. Peters will not be in school**
