

[Verse 1]

Nobody can tell ya
There's only one song worth singing
They may try and sell ya
Cause it hangs them up
To see someone like you

[Chorus]

But you gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

[Verse 2]

You're gonna be nowhere
The loneliest kind of lonely
It may be rough going
Just to do your thing is the hardest thing to do

[Chorus]

But you gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

[Bridge]

So if you can not take my hand
And if you must be go-ing, I will understand

[Chorus]

You gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

You gotta make your own kind of music
Sing your own kind of song
Make your own kind of music
Even if nobody else sings along (year 6- change)
