

St Joseph's Catholic Primary

#BestDaysOfTheirLives

What an amazing term we have had so far!

It is hard to believe that we are nearly at the Easter holidays but time flies when you are having the best days of your life. As Assistant Head, I get to see many of the wonderful learning opportunities that take place during a normal school day and on the many trips, each year group takes part in. In Reception, I was lucky enough to help make pancakes, not in a frying pan but on a tin can! In Year 1, there have been many animal visitors as part of their topic 'Claws, Paws and Whiskers' with a visit to Ponderosa to end the topic. Year 2, have been to Skipton Castle and became castle residents for the day. Year 3 and Year 4 have been to Malham Cove and Yorkshire Water Treatment works in Headingley to find out about how water is cleaned. Year 5 have taken part in a sponsored silence to raise money for their trip to Whitby next term and the Year 6 football teams are planning on going to Wembley to watch England! Not to mention World Book Day and British Science week.

At St Joseph's we pride ourselves in the opportunities we give to each child in their learning journey from Nursery to Year 6 and I am sure you will agree that this term has definitely been a success!

Mrs Coventry
Assistant Head
