

Week beginning 25th March, 2019

Dear Parents and Carers,

We will be learning about the story of "Old MacDonald had a Farm" to go with our school trip next week to Cannon Hall Farm. Some of our activities this week will include:

- ✓ PSE: Sharing special times and positive experiences.
- ✓ RE: Learning about why we support various charities within both the close and the wider communities.
- ✓ C & L: Learning about timetables - linked to our trip to Cannon Hall.
- ✓ Lower Foundation phonics: B and F
- ✓ UW: Observing the life cycle of our bean seeds.
- ✓ MD: Using tallies and positional language - linked to farm animals and toys.
- ✓ PD: Moving and handling tools and objects in the continuous provision.
- ✓ EAD: Creating cards to take home at the weekend.

Please do continue to support your child in their development by completing activities at home linked to the above learning goals. Thank you.

Reminder:

- The children and staff alike are all very much looking forward to our trip to Cannon Hall Farm next week - Tuesday 2nd April.
- Show and Tell - if your child is chosen for Show & Tell please can they bring in an item of interest or achievement to share with the class e.g. a swimming achievement, a picture of their hobby or a photo of something special they have done. Please can we ask that you do not bring in toys for Show and Tell.
- Please do ensure your child brings their book bag into school every day.
- Please have a good look at home to see if you have any of our reading books or library books - we seem to be short of our reading books in books in particular.
- Please ensure your child brings a coat in to school every day as the weather can change throughout the day.
- Please ensure your child also brings a water bottle into school every day as the weather gets warmer.

Once again thank you for your support and please do not hesitate to speak with a member of staff if you have any concerns or questions.
