22nd March

Dear Parents,

We have had a lovely week in Foundation - much less windy!!

The children have enjoyed doing some activities in preparation for a special day coming up soon! Please check your child's book bag for an important envelope! Thank you for all the photographs of mummies that we have already received - it's not too late to send one in! The children enjoy sharing the photos with the others.

In Phonics next week we will be introducing the children to the last of our Phase 3 phonemes. We will be learning about the tri-graphs 'air' and 'ear' and 'ure'. If you could look these up in your phonics pack and practise them at home we would be grateful. Please find enclosed a handwriting sheet to practise the formation of the One-Armed Robot letter 'n'.

In Maths this week the children have been working hard on their subtraction activities and recording their findings. Next week we will be doing some activities based on addition and teaching children the skill of adding two numbers by counting on from the biggest number.

We look forward to seeing you at the Open Afternoon today from 2:15pm and next Friday 29<sup>th</sup> March at 2:30pm for our Mother's Day tea party. The tea party will take place in the school hall - please wait in the entrance foyer until the hall doors are opened.

Many thanks for all your continued support.

Have a good weekend.

The Foundation Stage Team
