Forest Schools

In the morning the children will be taking part in outdoor activities to improve confidence, self-esteem and communication and to learn about the natural environment.

This weekend you could try the 50 things app and look at activity # 19. **Growing Little People, Plants & Things.** You're never too young to start a healthy habit! Sow the seeds, prepare the ground and develop healthy food choices by teaching children where food comes from, and get them excited by growing fruit and vegetables they will love to eat. Plant and grow a sunflower seed. Check your own height on a wall, a doorframe or a poster. Watch stick insects, tadpoles and butterflies grow and change.
