Sedley's News (Ed. 7)

22/3/19

	<p>Oaks residential trip payments must be paid in full by 31st March as the final payment will be sent to Kingswood. If you have any problems making the final payment, please see Mrs Moore.</p>
	<p>We are delighted to see so many children attending the breakfast club. Children can arrive between 7.45-8am, unfortunately, we cannot accept children after 8am.</p> <p>Parents are asked to sign their child into the club and pay £3.00 on the door. Parents are not able to stay with their child.</p>
	<p>What a fabulous time we had with our fundraising Welly Walk. Thank you so much to Mrs Collins, Mrs Pettis, Mrs Helen and Mrs Ritchie for being our checkpoint ladies and to parents who helped carry equipment back to school. Some children managed to walk 75+ laps so I'm sure they were tired when they arrived home.</p> <p>Please can you send your sponsorship money into school by Friday 29th March so we can announce how much was raised. Thank you. School Council.</p>
	<p>The choir will be performing an Informal concert to their parents in the school hall on Monday 25th March we are looking forward to hearing them sing.</p>
	<p>Thank you to the PFA for organising Mother's Day Gifts. These will be wrapped ready to be sold to the children for £1 on Thursday 28th March during the school day.</p>
	<p>Saplings class will be attending Wingham Wildlife Park on Friday 29th March as part of their Science topic of Living Things and their Habitats and their Geography topic on Rainforests. Please ensure your child has a packed lunch in a disposable bag.</p>
	<p>Acorns and Seedlings classes will be visiting Chatham Dockyard on Tuesday 2nd April as part of their topics on Transport and Pirates.</p>
	<p>Parent Consultative will be taking place on Tuesday 2nd and Wednesday 3rd April in the school hall. Please ensure you have selected an appointment using on-line Parents Evening system.</p>

 <p>Acorns – Year R</p>	<p>English – Working on independent writing. Phonics assessment. Maths – Adding two numbers and looking at number bonds. Class trip coming up on 2nd April.</p>
 <p>Seedlings – Yr 1/2</p>	<p>Assessment week. Class trip. To look at clocks. Make own wanted posters and treasure maps.</p>
 <p>Saplings – Yr 3/4</p>	<p>In Maths Saplings will be solving problems involving fractions and decimals. In English we will be looking at performance poetry. We will continue our exciting topic of the Ancient Greeks. Our Science lessons will continue to explore the subject of disappearing habitats. We are all looking forward to our trip to Wingham Wildlife Park on Friday 29th March.</p>
 <p>Oaks – Yr 5/6</p>	<p>We will be writing and evaluating instructions and reading Private Peaceful which the children are enjoying. In Maths we will be looking at shapes – both 2d and 3d then moving in to reading and plotting co-ordinates in 4 quadrants.</p>
<p>Achievements</p> 	<p>We are so proud to announce that Sedley's came 113th out of 450 schools during Maths Challenge Week, well done to Mrs Chowdhury for organising this. Congratulations to our swimmers who entered the Gala, our Girls WON 1st Place in the Small Schools relay. Our KS2 Girls have reached the quarter final in the Dartford Football Association Cup and will be playing on Monday 25th March. Good luck girls you have achieved so much.</p>
<p>Community news</p> 	<p>Rev. Josh has been assisting the volunteers in Oaks class who wish to lead our Collective Worship Assemblies. We look forward to sharing this with the rest of the school next week.</p>
