

September 2018

Dear Year 6 Parents/Carers

The Governors of Patcham High School would like to invite you to the **School's Open Evening on Thursday 4th October 2018 from 5.45-8.30pm**. This is a great opportunity for prospective students and their parents to meet our staff, look around the school and talk to current students. **John McKee**, our Headteacher, will be addressing parents twice during the evening, once at 6.30pm and repeated at 7.30pm. Please be aware that the 6.30pm talk is usually extremely busy so you may want to consider planning your visit to attend the second talk.

Our school is in a very positive position and we continue our uncompromising drive for improvement year on year. Staff and students are working tremendously hard with the demands of the new examination requirements and we are confident that next year's results will see further improvement.

The Governors are very proud of Patcham High and all it has achieved in the past few years. We pride ourselves on offering a friendly and inclusive learning environment where the needs of all students are met, both academically and pastorally. We offer numerous extra-curricular activities that are open to all, including sports, music and theatre opportunities. Our Drop Everything And Read (DEAR) programme has had a real impact on helping students to improve their literacy skills. We value the personal and friendly nature of our school and, coupled with our flourishing academic results, this makes us a very exciting school for now, and the future.

Please take the opportunity to come and visit us on 4th October: If you like what you see, we offer parents the chance to come and see the school in action on the mornings of Tuesday 9th and Wednesday 10th October 2018 between 8.45-10.15am.

We look forward to meeting you and your children at the Open Evening and answering any questions you might have.

Yours sincerely,

Sarah Fitzjohn-Scott
Chair of Patcham High Governing Body

Please be aware that there is no on-site car parking available, but there is free on-street parking in nearby roads
