

Clipstone Brook

KS2 Grove Theatre visit – Orchestra Live

27th March 2019

Dear Parents / Carers

We are delighted to be taking all KS2 children to an Orchestra's Live event at Grove Theatre on Tuesday 30th April. This event is being organised by the Bedford and Central Bedfordshire Music Hubs and Arts Council England.

They will take part in a new music project, "The Wish" involving a composer, a presenter and a professional orchestra, Sinfonia Verdi.

The Wish is an interactive orchestral piece that introduces instruments in a vivid way as a new 'Guide to the Orchestra for the 21st Century', The afternoon will be very interactive, with elements of theatre, singing and multi-sensory activities. It will form the entirety of the performance with the aim of inspiring more children in our diverse community to learn an instrument.

Prior to the trip, the children will take part in a workshop in school to prepare them for the interactive elements of the concert.

The children will be taken to and from the theatre by coach during the afternoon so they can be collected from school at the normal time. Please complete the form below and return with your contribution to cover the cost of the transport and insurance.

Yours sincerely

Mr P Rowe
Assistant Head & KS2 Lead
