26 March 2019

Dear Parents / Carers

As you know, we are taking part in the 'Great British Spring Clean' at the end of this half term. As part of this campaign, Reception and Year 1 will be 'upcycling' plastic bottles into flower pots to be used at home or in school. We would like to invite family members in to take part in this with us.

Please could we ask that you help us to collect plastic bottles ready for this (clean pop bottles, squash bottles, etc. but not milk or household product bottles). You can bring them in as you collect them and we will store them in school.

Monday, 8 April 2019: Reception 'Upcycling' Workshop - 1:30pm

Tuesday, 9 April 2019: Year 1 'Upcycling' Workshop - 1:30pm

Please complete the reply slip below to confirm whether you will be able to join us for the relevant workshop.

Yours sincerely

Miss V Smith
Assistant Head

Miss S Mugleston
Reception Teacher

Mrs J Charles
Year 1 Teacher
