

Year 3 Music *DioSing!*

Year 3 currently have a specialist singing programme for their music lessons for the duration of the year called *DioSing!* which is a singing project in collaboration with Leicester Cathedral. They have a specialist singing teacher from the Cathedral working with them each week to develop their voice skills. They have a range of performance opportunities throughout the year.

***DioSing!* Projects 2018–2019**

Little Sing!

The children will be learning and recording a carol for broadcast on BBC Radio Leicester. The performances will be broadcast on Sundays and form part of a feature about carols and will be available for parents to purchase.

Team Sing!

The children will round off the work completed each term either on a small scale, such as performing to one other class, or on a larger scale, inviting the whole school and sometimes parents. This take the form of a concert so the children have a sense of what it means to put on a performance.

Big Sing!

The children also have the opportunity to join together with other *DioSing!* Schools for a workshop day which culminates in a massed performance.
