

STANTON PRIMARY SCHOOL

Parent Questionnaire - March 2019

Thank you to all the families who completed a questionnaire. Your responses were very positive and informative. We welcome your feedback to shape our forward planning and thank you for your continued support.

Last year some of your suggested ideas for improvement included:

"Less homework" and "events after school so working parents can attend easier"

As you are all aware, we have trialled a new homework system during the past few months and will be continuing to fine-tune this for the remainder of the academic year after positive feedback from parents, staff and children. We also held an after-school 'Reading for Understanding' information evening at 6.00 which had very positive feedback from the parents that attended.

Positive comments from this year's questionnaire included:

- ❖ Small school, friendly ethos, community spirit
- ❖ Safe, caring and welcoming school. Children feel secure to speak out about any concerns
- ❖ Listening to and understanding problems that occur
- ❖ Regular communication
- ❖ Encouragement given to the children to success and progress
- ❖ Friendly and professional staff - all staff know all of the children
- ❖ Home from home feeling, family feel, personal approach
- ❖ Variety of learning experiences, including balance bikes and ducklings
- ❖ The revised homework structure - allowing key skills to be practised without pressure and more family and free-time to be enjoyed.

Suggested areas for future development included:

- ❖ More outdoor learning experiences
- ❖ Morning clubs
- ❖ Children not to come into school in the morning altogether.
(we will be in more of a position to address the 3 points above after the building work has been completed)
- ❖ More sports teams *(we have recently established a football team. A cricket team may be introduced in the Summer Term)*
- ❖ More school trips

Parent Questionnaire Data Analysis March 2019

	Strongly agree	Agree	Disagree	Strongly disagree	Don't know
