28th March 2019

As part of our ongoing E-safety curriculum, all children have recently been thinking about the digital technologies they regularly use and discussing the benefits, possible drawbacks and learning how to stay safe on-line.

We would like invite parents to an event on **Thursday 11th April at 6.45pm** (while your children are at Film Night!) to share our current practice and explore safety issues when using the latest technologies and applications.

Please fill in the reply slip below so that we can know numbers for the evening.

Many thanks,

Mrs Hedges
