Dear Parent/Carer

Easter

As part of our next topic 'Hop into Easter' we would like you to get creative with your child and join in with our end of term Easter creation competition. This year we have decided that we will not have a parent Easter Bonnet Parade or whole school assembly but instead we will hold a competition in school with your children. If you would like to take part in this family competition then please start getting creative together. You could make an Easter Bonnet, decorate an egg or do something entirely different. Please do not spend lots of money on this competition – maybe you could use your recycling junk to create something with an Easter theme. Any entries will need to be labelled with **your child's name and group and be in school by Wednesday 10 April at the latest**. There will be a winning entry per group (there will be 9 prizes in total). Entries will be judged by nursery visitors to school and the winners will be announced by Mrs Walton, in front of the children, at the end of session on Thursday 11 April.

We will try to display all of your lovely creations in the front of school for you to see.

School closes for the Easter break at the end of session on Friday 12 April, at the usual session times.

Summer Term

School re-opens on Monday 29 April.

We hope you have a wonderful long Easter break and look forward to seeing you in the new term.

Yours sincerely

Mrs Walton

Mrs Walton
