Please note that:

- “Summer Sports” will be a mixture of Cricket, Rounders, Athletics and any other weather appropriate sport.
- for some our clubs, such as Board Games, Construction and Mindfulness/Yoga, which have limited numbers we will give priority to children who have not attended this club during the Spring term. Therefore, if your child was on the club register for the Spring term, that club will not show as an option for you on Gateway. If your child has attended one of these clubs previously you can add them to the waiting list, using the form at the end of this letter, so they can be included if there is space.

In respect of the above listed clubs, operated by High Beeches School staff, we are continuing to use an online booking process, with everything done online using School Gateway. We are sure that you will appreciate that, for us to offer so many clubs, it does involve a lot of administration and therefore we are attempting to streamline the whole process to manage bookings, payments and registers. Unfortunately, the downside of these changes is that clubs will need to be booked on a first come, first served basis. **Bookings will be possible from 00:00:01am Saturday 30th March 2019 on School Gateway.** If a payment is required for the club, this must be made at the time of booking and this confirms your child’s place – you will not receive any further notification on places. Many clubs will have a maximum number of places available and, once all the places are booked, the entry will no longer show on Gateway. The form at the end of this letter allows you to add your child to a waiting list, but please only use the form for this purpose and not to list clubs already enrolled for.

Once an online booking and payment is made, it cannot be refunded. Therefore, we would request that you consider carefully, including checking which clubs your child’s school friends are joining, before making the commitment and, with the online booking being available from Saturday 30th March, we have allowed time for you to do this.

The following clubs are run by outside providers but the correspondence and payments are dealt with via school:

If your child *already* does Gym or Tennis you will have already been contacted regarding re-enrollment for next term.

If your child *already* does Karate, you do not need to include this on your reply slip, and it is assumed that they will continue until you give appropriate notice to the teacher.

Please note that for Karate, Guitar, Gym and Tennis clubs there is a waiting list to join. You can add your child's name to the waiting list by returning the form at the end of this letter.
