The children had big smiles on their faces! They were very excited to share the information about designing a new school logo. They commented that our current logo is "a bit boring" and would like to change the picture. They suggested drawing things such as children, the playground, etc.

5. Anything Else?

The children came up with:

Children in Need - November 2018

The children would like to raise money for 'poor children'. They would like to do this by coming to school dressed in bright colours / spots and donating money.

Love in a box

The children also asked whether we would be doing 'Love in a box' this year. They were keen to help the poor children. (KG will launch this during the 1st week back after the holidays)

Christmas

The children asked if the Hall could have a large Christmas Tree to be decorated by the children.

Mrs Quinn closed the meeting and thanked the children for their time.
