1. Welcome & Register

Mrs Quinn welcomed the children to the meeting. The children were excited to be taking part in another meeting.

2. Any worries or concerns?

No worried or concerns today

3. New School Logo

The children commented that they were very pleased with the new school logo that was revealed in assembly today. They said they liked the rainbow. The children would like the logo to be put on the website, school jumpers, school council badges, books bags and displayed around the school.

Mrs Quinn thanked the children for all their hard work in promoting the new school logo competition. There were a lot of entries and Mrs Jones found it very hard to judge all the lovely entries.

4. Lunch Times / Friend Stop

The children really like munch the dragon and are keen to get green faces on their charts. They commented that dome food is still being dropped on the floor but most classes are now getting green faces on the behaviour chart.

The children generally feel happy at play times and lunch times and report that more equipment is being put out for them to play with.

The children would like a friend stop to be purchased for the outdoor area, as suggested in a previous meeting. They wondered whether the new school logo could be incorporated on it.

5. Keeping Safe in School - see questionnaire for answers

6. Anything Else?

The children asked whether some of the following clubs could be run in school:
