

Thornhill Lees Infant and Nursery School

School Council Meeting

Date: 19th March 2019

Time: 1.30pm

Class Representatives Present: 1/2AL, 1TR, 1PL, 2FA, 2MH

Apologies:

Teacher Present: Mrs Quinn

1. Welcome & Register

Mrs Quinn welcomed the children to the School Council Meeting. All councillors were present today.

2. Any worries or concerns?

The children did not have any worries or concerns today. They expressed a wish for a being kind assembly as they felt some children were not being kind around school currently.

3. New School Vision

Mrs Quinn shared the new school vision (in development) with the children. She told them that this vision would probably change many times but we would like to have the children's views on it. The children liked the bit about being 'kind and caring' and 'respecting' others. The children agreed with the sentiment of the vision so far.

4. Assemblies - collective worship monitors

Mrs Quinn talked to the children about whole school assemblies and appointing collective worship monitors to help senior leaders plan and lead assemblies. The children thought this was a really good idea and were keen for the children to have an active role in assemblies.

5. Future Project Ideas?

The children suggested doing some more fundraising for our link school in Tanzania.

6. Anything Else?

Nothing else to report at this time.

7. Close meeting

The children were thanked for their time and contributions.
