## St Cuthberts Newsletter

This newsletter is to update the local community of the works involved on the project to date. The St Cuthbert's Primary School Project is a new build school for 240 pupils that will replace the existing school building.

Works that have taken place to date are:

- Setting up the site, haul road, cabins and fence lines
- Installed piling mat and commencing piling
- Drainage works

We endeavour to minimise all disruption to the local community, however if you have any further questions or queries regarding this project, please contact the undersigned.

David Scarisbrick
