

Thank you so much to all our families who took the time during our Parents' Evenings or via our school website to take this survey. We are delighted to announce that we had one of the best response rates ever with 331 responses.

The results are extremely positive in most areas and where slightly lower, please see our response below:

There is a good range of clubs and extra-curricular activities.	36%	49%	11%	3%	1%	85%

**OUR RESPONSE:** Although the total in agreement for this question is low, we are also aware that 11% of respondents were unable to neither agree nor disagree with this statement. We anticipate that this may be because their children do not access the range of clubs available. From analysing the 'free text' responses from parents/carers there were no specific references to clubs apart from if the school could consider adding a Chess club.

If any of our parents/carers are interested in volunteering to run an after school club, particularly any avid Chess fans, we would love to hear from you. Please email [office@boxgrove.surrey.sch.uk](mailto:office@boxgrove.surrey.sch.uk).

We hope this will help you in supporting your child/ren at home. We will also be further developing online tools for parents/carers in other areas of the curriculum.

**OUR RESPONSE:** If you form part of the 20% who neither agrees nor disagrees/disagrees we would urge you to speak directly to your child/ren's classteacher at any time point during the academic year. You can arrange a meeting either directly with your child/ren's classteacher or via the School Office. The Learning Clinics in the Summer term will also be an opportunity for parents to see and share their child/ren's work. Dates for these clinics are published in the school newsletter and also on our website.

We are pleased that 98% of respondents would recommend Boxgrove to another parent. For us this response is an extremely important one as it shares your overall feeling about the school and your experience of it.

We work hard to provide a broad, exciting and enriching curriculum, as well as a solid and thorough grounding in reading, writing and maths. We want every child to achieve more than they thought possible, whether that lies in the arts, sports, academia or in any other part of the curriculum.

Thank for your continued support and for some of your ideas in the 'free text' responses which will allow us to further develop Boxgrove for your children.
