The following clubs are run by the school. Numbers for these clubs are limited on a first come, first served basis. **Please check which clubs are open to your child's year group and the dates they are running** and then apply for places via School Gateway - Payments. The benefit of this will be that you will know immediately whether your child has a place. If a club is not showing in School Gateway then this means that it is full.

If your child does not get a place in a school-run club because it is full, please email the office and their name will be placed on a waiting list.

### **Support for your child**

We would like to encourage parents who are in receipt of benefit payments and therefore qualify for Free School Meals to book your child on one of the clubs above in order for all children to take part in the activities available. If you would like to receive this support to enable your child's participation and to discuss this further please contact the school office, Mrs Sheppard to make an appointment.
