P4 Mother's Day Assembly

"On Thursday the P4s were doing a Mothers' Day Assembly. It was celebrating mummies, grannies or special women in our lives. All of the P4 class said something about their mummies or grannies or about Mothers' Day. Taha told us that in the Muslim faith Mothers day isn't celebrated but mummies are very important and they are second in importance to God. At the start of our assembly P4 sang a song about mothers. Two of the lines from the song go like this "You will always have a place in my heart" and "in my eyes you will never grow old". We were a bit nervous but we were happy that we all said our lines and sang our song. We were really happy at the end when everybody clapped. We hope our mummies and agrannies and special women in our lives all have a lovely day on Sunday"

Young Enterprise Appeal

Every year our P7s take part in a Young Enterprise project entitled 'Business Beginnings' where they start up their own business and sell their wares to the school community and wider public later on in the year. You may remember the 'pop sockets' which took off so well last year under the guidance of Brian Kielt. This year's project begins next month and we are on the lookout for a willing volunteer who could spare an hour a week to share some of their valuable experience in business with our children. If you are interested, please contact Mr Spillane in P7 for more information. Who knows you could be responsible for discovering the next Lord Sugar!!

P7 CRED partnership with Hazelwood

On Wednesday some of the P7s from Hazelwood IPS across the lough returned to Glenraig to meet up with our P7s. The children first made contact back in P5 and this year the children will finish off the partnership with two workshops designed around their shared text "The Boy in Striped Pyjamas". The children will explore some of the challenging themes in the book and consider how those themes still challenge us today.

The P7s were also lucky with the weather and managed to have their lunch and complete some PDMU work down on the beach. Our P7s will be visiting Hazelwood, a Forest School, in term three to continue the work and hopefully the children will get to spend some time in the forest that backs on to Hazelwood.

PTA Spring Discos

Thank you to everyone who came along on Wednesday night and made the discos such fun! There was a really good turn out, especially of P7 for whom this was their last school disco at Glenraig. It was great to see them all having a good time and the "team" photos will be perfect for the leavers' photostory!! Thank you to all the PTA and helpers who manned the VERY popular nail painting, tattoos and tuck shop - Great job well done!!

P6 Residential

Excitement is mounting amongst the P6 children as they pack their bags over the weekend for their trip to Ganaway next week. When going through your wardrobe and drawers, can I remind everyone that old clothes are advised as messy activities are pretty much guaranteed. All that's left to do is cross fingers and toes for some decent weather! The staff will meet the children at Ganaway at 9.15am on Wednesday morning.
