

Topic

This week we have learnt about the different biomes in Africa. The children have enjoyed finding out about the deserts and rainforests and locating them on a map. Next week we will be visiting African animals on our safari trip!

Reading

We have read a new story this week called Mama Panya's Pancakes. We have used it for lots of predicting and inferring how the characters are feeling. We have also practised explaining the meaning of words in the context of the story.

Science

This week we went on a mini-beast hunt around different habitats in the outside area. After identifying the best habitats to find animals, we used tally charts to record the number we found and also took photos with the ipads to reference later.

Visit

Emily's grandma visited us on Wednesday to teach us some African songs. Even though we didn't know the languages, the children did a great job of picking up the tunes and singing along. Such a treat!

Reminders

Tue 2nd April - KS1 Sports Trip - children need to meet us at 9:30am. They should be wearing their PE kit. They can be collected at 11:30am and returned to school for afternoon lessons.

Wed 3rd April - Woburn Trip - children will need a packed lunch in a disposable plastic bag. They need to be wearing school uniform. Normal school drop off and pick up times.
