29th March

Dear Parents,

The children have enjoyed our preparations for Mother's Day and we hope you enjoy the tea party this afternoon if you are able to make it. We hope you have a lovely day on Sunday and manage to rest and relax!

We can't believe that next week will be our last week of the Spring term - the year is flying by!

Next week we will be doing lots of activities based on Easter as well as updating our assessments in Phonics and Maths . It will be fantastic to see the progress the children have made in their learning since Christmas - they have been working so hard!

We will also enjoy a performance of The Wizard of Oz from the M&M Theatre Company on Monday afternoon and we will be attending the Easter Church service next Friday morning.

We would be very grateful if you could raid your recycling for any kitchen/toilet roll cardboard tubes for an activity we are doing next week. Thank you in advance.

Enjoy the weekend - don't forget the clocks go forward on Sunday!

The Foundation Stage Team
