Wharf Road Planting Tuesday 2nd April

Dear Parents/Carers,

As you may be aware, Pavilion class have been involved in the development of the public art installation on Wharf road. So far, we have met with the designer and project manager and created posters to explain the project. The next stage is to help with the planting. We have been invited to start the planting on Tuesday 2nd April. After lunch, we will walk up towards Hove Lagoon and work alongside BHEE (Brighton & Hove Environmental Education) and Millimetre (the design company) to start the planting for the project.

Children are required to wear suitable outdoor clothing that may get dirty and muddy. As many of the girls participate in the lunchtime football club they can bring a change of clothes to wear- it is not necessary for children to wear school uniform on that Tuesday.

Please ensure your child has a water bottle and suitable outdoor clothing. If you are free to accompany us up to Hove Lagoon please fill in the form below.

Yours sincerely,

Mrs Vania Humphrey
