

Year 3 Egyptian Museum (SERF) Fri 8th March 2019

1. What did you enjoy about the Egyptian Museum?

- Everything! You can tell how much the children enjoyed learning about the Egyptians by their knowledge! Especially loved the dancing.
- Interactions. Dancing.
- A little bit of everything but especially the dance.
- It was a great opportunity for the kids to show off their knowledge. It was lovely seeing them all so clearly proud of their work. The children clearly learnt about a topic from enthusiastic teachers.
- The dance was fantastic and such a surprise.
- How engaged and knowledgeable the kids were. Loved the dancing and how good they all were about keeping the secret!
- The involvement of the children and their enthusiasm was great. The dance was fun and engaging. Well done for organising.
- The dancing! The enthusiastic children. All the arts and crafts they had done as well as learning history.
- All the kids doing dancing; the artefacts and games all the children had made; both classes working together; the amount of knowledge they had all learned on the subject.
- Seeing all the children working together so all the adults could see the wonderful displays they all put together so all the mums and dads could enjoy the Egyptian experience. Also my favourite was the children dancing the Egyptian dance.
- I really liked the effort that the kids had put in on every stall and the depth of knowledge that was evident. Good fun too.

2. What did you enjoy about your visit to Immaculate Heart of Mary Catholic Primary School this afternoon?

- The enjoyment that was displayed by the children and their engagement with parents.
- The effort the kids put into it. Very well done.
- Everyone is always happy, friendly and polite. The staff are so welcoming, it helps you feel part of the school community as parents.
- Welcoming and such confidence in the children.
- Always nice to see the kids interacting with each other and see a little bit of their school life.
- The children were polite and friendly, as were the staff.
- Everyone is so friendly.
- As always great feeling of community; chatting to teachers and other parents.
- Seeing all the children enjoying their Egyptian dance together.

3. Is there anything you think could be improved with regard to one-off events such as this?

- Not at all, was very good.
- More notice so both parents can try to get the time off work. We need a minimum of 6 weeks notice normally! Otherwise it is great as it is. Thanks!
- No I thought it went very well.
- Just give regard to working parents – a Friday afternoon slot was much appreciated.
