Tilly's Diary

I have been a very lucky girl! Seren came and read a book to me all about dogs! We tried to find a dog who was just like me but we discovered that I am truly unique! I love being read too – it's one of my most favourite activities. If you'd like to read to me, come and see Mrs George and she will tell you when I am free.

I am looking forward to the Easter holidays. Hopefully I will get some Easter treats but remember, dogs are not allowed any chocolate as it makes them poorly. I am hoping for some cooked chicken – it's my favourite!

Have a great Easter my Roche School friends. I can't wait to see you all when we return to school!

Love Tilly x

If you are outstanding in dinner money fees, please could you pay the full amount by the end of term so we can balance our books. If you are unsure how much you owe, please speak with Mrs Batten or Mrs George in the office and they can advise you on the amount.

Writing and communication are essential to all of us, yet we all know children and young people who struggle to do both.

Through our innovative writing programmes, events & training we:
~ build communication skills, confidence and enjoyment in writing.
~ help young people to overcome their barriers and find the writer inside themselves.

It's important work. But it's not easy. We depend on our community for support so we can help more people across Cornwall.
