

Broadfield Community Primary School Sanctions

At Broadfield Community Primary School we recognise that sometimes children need support to make the right choices and through our sanctions we try to ensure that they understand what is and what isn't acceptable behaviour.

Non-negotiables for behaviour (which will result in an immediate move to Red):

- Deliberate physical injury
- Deliberate behaviour intended to, or likely to cause physical injury
- Deliberate damage to other people's property
- Deliberate damage of the school building or school property
- Bullying of any type
- Verbal abuse including homophobic/ racist language
- Disrespecting adults or children using inappropriate language, tone of voice or body language

Blue Alerts

Children who are placed on Blue Alert following negative behaviour will automatically go on a Respect Report. This is a report that allows children to collect evidence that demonstrates a positive change in their behaviour. During the day, the children can have their report signed by various adults who have witnessed positive behaviour. In KS1 the child will be expected to collect 15 signatures from staff to show they are improving their behaviour and in KS2 children will be expected to collect 30 signatures. The amount of time to collect the signatures will vary depending on the child. Children on Respect Reports will have to show their report card to a senior leader at the end of every day. If children do not show an improvement in their behaviour and school intervention has not been successful, they are at risk of a being placed on a part-time timetable, managed move or exclusion.
